

THE WILL

Greetings to you in the Name of all names,

The revelation of Yerushalem at Persepolis Iran is the pinnacle sign we have come to the time of the end (Hebrew *et qes*) as spoken by Daniel the prophet and the beginning of the great rest (Hebrew *Shabbat HaGadol*), the 1000 years of world peace. We believe this discovery is the most significant find of our Century. Much is expected to happen in the next ten years and we are going to show you the future and invite you to be a part of it. We also ask that you circulate this invitation among family, and friends so they too can understand YHWH's program.

For more than two thousand years the location of the real City of Yerushalem was labeled as a Persian site of antiquity, marveled as a wonder of the ancient World, and protected as a UNESCO World Heritage Site since 1979. Historians believe it to be the capital of the Achaemenid Empire from 550-330 B.C.E. The site is situated in the plains of Marvdasht, encircled by the southern Zagros Mountains of the Iranian plateau. One can easily walk through the site using the APP Google Earth and expect to be confronted with the awe and majesty of knowing the true architects and builders of Persepolis.

The name Yerushalem is a combination of two Hebrew words, yireh (will see) and shalem (peace, wholeness). The Lubavitcher Rebbe points out that yireh shalem also has an alternate meaning: "complete awe." It is a City where a state of complete ecstasy, being one with the divine, is more easily attainable. At the time of the binding of Isaac—which took place in Persepolis—after the angel tells Abraham not to sacrifice his son, The Torah continues: "And so Abraham named that place 'YHWH will see,' as it is said to this day, 'On the mountain, YHWH will be seen.'"

When you read the Wikipedia description of the site so many factors and questions about the construction and use of the site remain "unclear." In the Persepolis documentary, the authors do not know how the Persian people could have built this place because they were a nomadic warlike race. It is obvious that the people who built the site were grand architects and builders. No one suspected the connection of the site to Yisra'el because the Roman Empire had renamed the geography of the country and rewrote history because of their political, national, and religious interest in relocating Jerusalem closer to Rome. It is the cover-up of all Millenniums.

The truth is, the Roman Empire could never have accomplished the task and kept it a secret this long without it being the will of YHWH. The people who committed this deed cannot be held responsible for something that was ordered from the Shamayim (Heaven). Yisra'el had sinned and broken the Everlasting Covenant, refused to obey the Torah, and were barred from the Land and the Mountain for over 2000 years. Thus, we the lost tribes and Yahudah were shut from its knowledge and awareness until now. Please note we make a distinction in spelling between "Jerusalem" in Israel and "Yerushalem" in Iran for identification purposes.

In January of 2023 for the first time, we brought its revelation to the World in our NMZ ISSUE 15. Please download the article, it is free. You ask us how we knew, the Scripture states; "*It is the tifereth (glory) of Elohim to conceal a matter: but the honor of Melechim (kings) is to search out a matter*" Mishle (Proverbs) 25:2. We were instructed to search out the matter and confirm the site with Scripture and history. It did not take us long to piece together what had happened, how, and why? No

discovery of antiquity has such a powerful consequence and a far-reaching implication for the Earth as the unveiling of Yerushalem.

The crucial question we will answer is why now? There are several reasons and you would do well to hear them and respond favorably so that we can end our diaspora and usher in the time of the Kingdom on Earth.

The time is complete. The prolonged exile and punishment of Yisra'el are complete according to Yechezkel (Ezekiel) 4:4-5 and Wayiqra (Leviticus) 26:27, 28. YHWH will once again extend His mercy, love, and compassion to Yahudah and Ephraim, recover and re-join the ten tribes to Yisra'el (Yeshayahu (Isaiah) 11:11-14, 27:9; Yirmeyahu (Jeremiah) 3:14-18, 16:11-16, 50:4-5, 20; Yechezkel (Ezekiel) 37:22-26; Zecharyah (Zechariah) 8:3, 7, 13:9: 13:10, 7, 8, 10; Hoshea (Hosea) 1:11; Ovadyah (Obadiah) 1:18, Schmu'el Alef (First Samuel) 17:45). It is time to go home.

Eliyahu is here. His appearance is critical to the program of the End, the prophecy states that Eliyahu must come first and lay the groundwork before the Messiah can appear (Malachi (Malaki) 3-4). In another specific prophecy in Micha (Mikah) 2:12-13 it's Eliyahu's ominous task to make a breach in the rock fence, and it is he that goes through first. He opens the way for the sheep, then he is followed by the King in verse 13, an allusion to the Messiah "YHWH at the head of them" who then leads the sheep to green pastures. Again Eliyahu must appear first.

The Land must be resettled. The resettlement of the real Yerushalem is the heart of the fulfillment of all prophetic Scripture. Many prophetic Scriptures point to the resettling of the land and rebuilding of the City that must be fulfilled. We quote some of these pinnacle prophecies.

"18 In the same day אלהים made a brit with Avram, saying, To your zera (seed) have I given this land, from the river of Mitzrayim to the great river, the River Euphrates: 19 The land of the Kenites, and the Kenizzites, and the Kadmonites, 20 And the Hittites, and the Perizzites, and the Rephayim, 21 And the Amorites, and the Kanaanites, and the Girgashites, and the Yevusites" Beresheet (Genesis) 15:18.

"7 And I will establish My brit (covenant) between My Word and you and your zera (seed) after you in their generations as an everlasting brit, to be an Elohim to you, and to your zera after you. 8 And I will give to you, and to your zera after you, the land in which you are a ger (stranger), all the land of Kanaan, for an everlasting possession; and I will be their Elohim" Beresheet (Genesis) 17:7-8.

"31 And I will set your borders from the Sea of Reeds even to the Sea of the Plishtim, and from the desert to the river: for I will deliver the inhabitants of the land into your hand; and you shall drive them out from before you" Shemot (Exodus) 23:31.

"11 And it shall come to pass in that day, that אלהים shall set His hand again a second time to recover and restore the remnant of His people, who shall be left, from Ashshur, and from Mitzrayim, and from Pathros, and from Kush, and from Eylam, and from Shinar, and from Hamath, and from the coastlands of the sea. 12 And He shall set up a miraculous Banner for the nations and He shall gather the outcasts of Yisrael, and gather together the dispersed of Yahudah from the four corners of the earth. 13 The envy also of Efrayim shall depart, and the adversaries of Yahudah shall be cut off. Efrayim shall not envy Yahudah, and Yahudah shall not trouble Efrayim. 14 But they shall fly upon the shoulders of the Plishtim toward the west; they shall plunder them of the east together they shall lay their hands upon Edom and Moav; and the children of Ammon shall be subjected and obey them" Yeshayahu (Isaiah) 11:11-14.

“3 For, see, the days come, says יהוה, that I will turn back the exile of My people Yisrael and Yahudah, says יהוה; and I will cause them to shuv (return) to the land that I gave to their ahvot (fathers), and they shall possess it” Yirmeyahu (Jeremiah) 30:3.

“13 And I will bring them out from the nations, and gather them from the countries, and will bring them to their own land, and feed them upon the mountains of Yisrael by the rivers, and in all the inhabited places of the country” Yechezkel (Ezekiel) 34:13.

“14 And I will bring again the exile of My people Yisrael, and they shall build the waste cities, and inhabit them; and they shall plant vineyards, and drink the wine from them; they shall also make gardens, and eat the fruit from them. 15 And I will plant them upon their land, and they shall no more be pulled up out of their land which I have given them, says יהוה your Elohim” Ahmos (Amos) 9:14-15.

We have only touched on a hand full of Scriptures which all state that the Land must be conquered and possessed, in other words, resettled and the Cities rebuilt. Halleluyah!

The discovery of the Yerushalem will be matched by the unveiling of the Sacred Mountain. Finding Yerushalem allows us to pinpoint the location of the real Mount Sinai which has been falsely labeled as Mt Helena in Egypt or Jebel El Luwz in Saudi Arabia. We admit that for a time we were under the delusion that the discovery of Mt Sinai in the Tabuk Province in north-western Saudi Arabia by Ron Wyatt in 1984 marked a turning point in history. The fact of the matter is, this cannot be the Mountain because it is geographically in the wrong place in relation to the real Yerushalem. The real mountain lies 40 days walk north of the City.

In our NMZ ISSUE 15 we identify the area or region where the Mountain is located according to several scriptural references. We cannot repeat the information here as it is too bulky. Its precise location will be unveiled at the right time and in our time. The location of the Mountain is very important despite the contention of Yahudah (the Jews), that for them its discovery is insignificant. The fact is this Mountain and area is special and unique to the Elohim of the Universe YHWH, who owns all the mountains and hills? King David, a man after Eloah’s own heart, tells us why, he said;

*“15 The har (Mountain) of Elohim is as the har of Bashan; a high har as the har of Bashan. 16 Why do you leap, you high hills? **This is the har which Elohim desires to dwell in; yes, YHWH will dwell in it le-olam-va-ed (forever)**” Tehillim (Psalm) 68:15-16.*

“13 For YHWH has chosen Tzion; He has desired it for His dwelling place. 14 This is My rest le-olam-va-ed (forever): here will I dwell; for I have desired it. 15 I will abundantly bless her provision: I will satisfy her poor with lechem (bread). 16 I will also clothe her Kohanim (Elders) with Yahshua (Salvation): and her kidushim (saints) shall shout aloud for simcha (joy). 17 There will I make the horn of Dawid to bud: I have ordained a lamp for My anointed” Tehillim (Psalm) 132:13-17.

David correctly understood that Eloah had chosen this Mountain and place to be His dwelling place forever! Thus why He commanded Moses to take Yisra’el to His Mountain (notice carefully the words I have made bold);

*“12 And He said, Certainly I will be with you; and this shall be an ot (sign) to you, that I have sent you: When you have brought forth the people out of Mitzrayim (Egypt), you **shall serve Elohim upon this mountain**” Shemoth (Exodus) 3:12.*

“17 You shall bring them in, and plant them in the Mountain of Your inheritance, in the place, O YHWH, which You have made for Yourself to dwell in, in the Kadosh-Place (Set-Apart Place), O YHWH,

that Your hands have established. 18 YHWH shall reign le-olam-va-ed (forever)" Shemoth (Exodus) 15:17-18.

"19 They shall call the peoples to the mountain; there they shall offer sacrifices of tzedakah (righteousness): for they shall suck of the abundance of the seas, and of treasures hidden in the sand" Devarim (Deuteronomy) 33:19.

In no uncertain terms, YHWH instructs Moses that upon this Mountain, you shall serve Me, and it shall be an everlasting possession where Yisra'el shall worship Me, and I shall plant Yisra'el there. How much clearer do we need it to be? YHWH has chosen Mountain Sinai and Yerushalem as His dwelling place forever (le olam vaed). A permanent place where Elohim has ordained that His people offer Him sacrifice and worship continuously. He names this place the inheritance of Yisra'el, a place of streams, blessing, and abundance. Who are we to ignore His Commandment and Will? What mortal man among us challenges Him?

The discovery of the real Yerushalem is without question the sign and proof that all the prophecies will be fulfilled in our time. Make no mistake about this, Yerushalem and its revelation without its knowledge, there can be no Kingdom of YHWH on Earth, no resettling of the land, no Messiah, no restored Tabernacle, no Temple, no united Yisra'el, no world peace and no world abundance and so forth. It is the key to everything we have ever dreamed of and hoped for. This City and Mountain are a critical part of the fulfillment of Scripture and end-time prophecies.

Unbeknown to the Shar of Iran, whose hand our Maker leads, YHWH has reserved the site to prevent desecration, looting, and commercialization since 1979. Nothing has been disturbed or removed, the site remains completely intact. There have been no serious excavations of the area. Persepolis has been undisturbed in possession of the Iranian kingdom for thousands of years, hidden like a priceless diamond in the sands of time. Sadly it is now more than 2000 years since this majestic and timeless treasure was destroyed and men have not known of its significance until now. This is YHWH's majesty!

It is encumbering upon this generation to act on this glorious revelation because to fear the religion of Islam and the Shar of Iran is a transgression of the Torah. Eloah says, "Fear no more!" Islam and the leaders of Iran are servants of YHWH, and we are the family of Yisra'el, who owes a great debt to them. But be warned, we cannot push YHWH patients any further by not acting on His Word. We can no longer show cowardness in the face of truth. We must begin negotiations for settlement of the land and move to the region! Everything will fall into its proper place when Yisra'el is aligned with the Will of YHWH.

Upon this generation, it is an encumbrance to settle the Land, construct the City of Zion and resurrect David's Tabernacle was first built by his highness, the Prophet, and King Moses. Even Islam understands that this is Yisra'el's mandate, the Al Koran states in 5:66-68, "If only they had stood fast by the Law, the Gospel, and all revelation that was sent to them (Quranul Kareem, Zaburi, etc.), they would have enjoyed happiness from every side." Islam is waiting for Yisra'el to obey YHWH and fulfill the Words of the Torah, the Gospel, and the revelations!

Alas! I give you a new prophecy! "Out of the ash heap of Yisra'el's destruction will arise a City of magnificence and a Tabernacle of splendor without end where the blessed one the Messiah shall reign," Isaiah calls it the City of Feasts, a Sukkah, our home, and the place of YHWH majestic residence. Jeremiah states it shall be the Crown of YHWH. Ezekiel calls this place "YHWH is there" All Nations shall flow into the City and observe the feasts of YHWH there. Here are a few Scriptures confirming the program;

“20 Look upon Tzion, the city of our moadim (feasts): Your eyes shall see Yahrushalayim a quiet home, a sukkah (tent) that shall not be taken down; not one of its pegs shall ever be removed, neither shall any of its cords be broken. 21 But there Majestic YHWH will be to us a place of broad rivers and streams; in which shall go no boat with oars, neither shall large ships pass by. 22 For YHWH is our Shofet (Judge), YHWH is our Torah-Giver (Law), YHWH is our Melech (King); He will save us” Yeshayahu (Isaiah) 33:20-22.

“At that time they shall call Yahrushalayim the Kesay (Crown) of YHWH; and all the nations shall be gathered to it, to the Name of YHWH to Yahrushalayim: neither shall they have their halacha (way) any more after the imaginations of their evil lev (heart)” Yirmeyahu (Jeremiah) 3:17.

“It was all around eighteen thousand cubits: and the name of the city from that day forward even le-olam-va-ed (forever) shall be, YHWH-Shamma. YHWH-Is-There” Yechezkel (Ezekiel) 48:35.

A prophecy in the Book of Isaiah reveals that a multitude of the Saudi people (Muslims) will come to the Land and worship YHWH at His altar, and their prayers and sacrifices shall be acceptable in His House of Worship as would all other nations.

“6 The multitude of camels shall cover Your land, the dromedaries of Midyan and Ephah (Middle East); all those from Sheva shall come: they shall bring gold and incense; and they shall proclaim the tehillot (praises) of YHWH. 7 All the flocks of Kedar shall be gathered together to You, the rams of Nevayoth shall serve You: they shall come up with acceptance upon My altar, and I will bring splendor to the Bayit (House) of My tifereth (Glory)”* Yeshayahu (Isaiah) 60:6-7.

*It must be noted that ‘the House of Glory’ is the literal translation of Baitul Haraam, and is mentioned in the Al Quran, the same name is also indicated for Ka’abah. *“Verily, the first House (of worship) appointed for mankind was that at Bakkah (Makkah), full of blessing, and guidance for Al-'Alamîn (the mankind and jinns)”* Al Quran 3:96.

Restoration, peace, healing, and prosperity shall flow from the New Yerushalem (Yechezkel (Ezekiel) 11:6-9 34:7, 35:1-10; Yeshayahu (Isaiah) 2:4). The Messiah shall reign from this place, and He shall restore and teach the Torah from this City and Mountain unto all mankind (Yeshayahu (Isaiah) 33:17-22, 35:1-10; Tehillim (Psalm) 2:6, 47:5-8, 68:24-27; Micha (Mikah) 4:2). The Earth will be filled with the knowledge of Elohim (Chabakook (Habakkuk) 2:14).

The Messiah shall make Yerushalem the capital of the world and the City a place of great beauty and esteem (Yeshayahu (Isaiah) 33:17-22; Yirmeyahu (Jeremiah) 3:17). Everywhere shall new growth shall appear, and trees and vegetation shall cover the Land (Yeshayahu (Isaiah) 35:1-10). The Land shall become the Garden of Eden on Earth, an oasis in the Land of Iran. Nothing like it will exist anywhere. Iran shall become a paradise on earth and be called Yisra’el.

Alas! Come Adonai YHWH!

It has been difficult for me to carry this knowledge because I know what we are facing, and I understand there will be opposition and obstruction. But let it not be from Eloah's very own elect. The elect must arise, and we go to the Land as a united and believing people. Muslims have been called to help and be part of this work because it is their heritage too. Indeed the Al Quran states that Muslims shall be helpers to the work of YHWH whom they call Allah;

“And when Jesus (as) found unbelief on their part, He said, “Who will be my helpers to the work of Allah?” Said the Disciples (Al Hawariyun), “We are Allah's helpers: We believe in Allah, and do thou bear witness that we are Muslims” Al Quran 3:52.

“O ye who believe! Be ye helpers of Allah as said Jesus (as), the son of Mary, to the Disciples, “Who will be my helpers to the work of Allah? Said the Disciples, “We are Allah's helpers” Al Quran 61:14.

The leaders of Iran are ready to listen to us and will grant YHWH this place and will help finance its construction with the majority of the funding coming from Eloah's people around the world. My estimation of the budget that we will need to construct the City of Yerushalem and the Mishkan pavilion is 77 billion USD. Please see the Excel spreadsheet. This is not a huge amount by today's financial standards, but it is enough to complete the work and prepare for the construction of the Temple during the millennial reign. According to Scripture the Tabernacle of David shall be restored prior to the construction of the Temple of YHWH.

I am YHWH's messenger, and I make no apology that I am not a Jew, nor do I profess allegiance to a messiah or some great prophet incarnate. What I understand is simple - we have the mandate to complete if we will see the Messiah and the Kingdom of Eloah and the world blessed. We can no longer sit and watch another decade slip by us. Nothing is going to happen until we realize we must do it.

Be warned; we have entered the Shabbat Gadol -The Great Sabbath (the last millennium), and the Day of Yaakov (Jacob) Troubles looms on the horizon. The construction of the City and the restoration of the Tabernacle is the only haven humanity will have from this day of destruction because technologies will only be given in this place that will save humankind. See for yourself;

*“And it shall come to pass, that whoever shall call on the Name of YHWH shall be delivered: for in **Har Tzion (Mount Zion) and in Yahrushalayim shall be deliverance and escape**, as YHWH has said, and among the remnant survivors whom YHWH shall call”* Yoel (Joel) 2:32.

*“**But upon Har (Mount) Tzion shall be deliverance**, and there shall be set-apartness; and Beit (House) Yaakov shall possess their possessions, and those who possess them*”* Ovadyah (Obadiah) 1:17.

NB. For a fuller explanation of this day, please purchase our Book YOM YHWH.

The present Jerusalem in Israel will not be the New Yerushalem of the Millenium for the reasons outlined at the beginning of this letter, hence the distinction we make in our works between Jerusalem and Yerushalem. The present Jerusalem is a commercial and tourist destination, and its most “holy spot” is occupied by the Al-Aqsa mosque, and rightly so. The site does not fulfill the sacred requirements of the Torah and is simply in the wrong place. Archaeological proofs from excavations in Jerusalem are wanting, but this is not the situation at Persepolis, the proofs are manifest everywhere. I need not say more.

The City and Pavillion I propose to construct in this letter are non-commercial and non-religious, and non-political. It is a place where there will be no economy and no commerce, no campaigns, and no elections. Everything, including food, clothing, and accommodation in the New Yerushalem, is without charge. The City and Pavillion are operated on a donation basis. No person is rejected on the grounds of their sex, religion, affiliation, or status. No animal or fish or bird will be killed or suffer on this Land; they shall roam freely on the Land. Only that which is consumed in this Land is in accordance with Elohim's law. The Land will know no violence or crime.

There will be no mosques, churches, synagogues, temples, etc., on this Land. It is religion-neutral! All Holy Books will be given a place in the Kingdom and studied. The Torah and Koran will exchange and affirm the prophecies. However, the language of priestly officiation in the Pavillion will be Hebrew and Aramaic. I make no compromise here; this is Eloah's design. We will follow the precepts and protocols of the Torah. The Priesthood shall be immaculate and set apart.

Iran being the host nation will have a special allocation in the Pavillion. Eloah has a special love for the Iranian people who are not what the media describes them to be. Eloah has granted them tribal privileges for their part in preserving the Land, and their place is not shared with any other country. The rest of the attendants are accommodated according to their tribal affiliation. Jews from the tribe of Judah are not distinguished from any other tribe. We are all equal before YHWH.

The City of Yerushalem is the support and accommodation center for the Pavillion. Workers and their families are housed in the City. The City will be fully equipped to meet their needs and the needs of their families. The dead are removed to a place outside the City where they will be remembered and not worshipped. The City shall be clean and whole, and there shall be no media, materials, or objects which promote violence, sex, promiscuity, stealing, covetousness, the occult, etc. Families will dwell therein in safety and peace. The City has no military force and courts of law but only police, fire, and rescue.

The new Yerushalem shall become a bastion of science and technology. Miraculous inventions, technologies, and developments shall come from this place that shall transform the world. The City will produce all its power from free energy and not create litter or any substance that shall harm the environment. It shall be the only city in the world that is entirely organic and self-sustaining, and self-sufficient, meaning it houses, clothes, and feeds its own population.

The question is, what will the nation of Iran get from granting this Land to YHWH? The answer is nothing because Eloah (Allah) says, "I own everything and everyone." The Bible states this, and so does the Quran.

"The Earth is YHWH's and all that is in it, the world, and those who live in it" Tehillim (Psalm) 24:1.

"The silver is mine, and the gold is mine, says YHWH of hosts" Chaggai (Haggai) 2:8.

"Say, "Who is lord of the heavens and earth?" Say, "Allah" Al Quran 13:16.

"And unto Allah belongs the dominion of the heavens and the Earth, and unto Allah is the ultimate return (of all)" Al Quran 6:42.

YHWH does not make pleas or requests from mortal humans. He instructs us! Who are we to question His Divine Will, blessed be His Name? However, this is what will happen to the nation of Iran when the Kingdom of YHWH is planted and built on the Land.

1. The nation of Iran will become the religious center of the world. Billions of people will make a pilgrimage to the City of YHWH. The economy of the country will rise to become the 5th biggest in the world in less than seven years, and its status will increase even further.
2. The nation of Iran will earn more foreign revenue from tourism and pilgrims than oil and gas revenue as the world slowly migrates from fossil fuels because of the environment.
3. The nation of Iran will build more than 50 new cities in 50 years to accommodate the inflow. Property prices in this country will become a premium, and even the desert will become prime property in time to come.
4. The nation of Iran will become a science, technology, and medical phenomena as scientists, inventors, developers, and creators migrate to the Land to be close to the Set-Apart City.

5 The nation of Iran will be known as the Land of the Most High One YHWH and will be a beacon of light to the whole world. Righteousness and peace and love will flow to all nations that shall come to the Land to visit the Elohim of Yisra'el, who is also called Allah.

6. The nation and people of Iran will be favored and loved by the Elohim of Yisra'el. Their posterity and prosperity will be assured for generation upon generation. There will be no revolution or dissent in the Land because everyone will know and admire them for what they have done and given for YHWH.

7. The nation of Iran will become a world force and power. Military and space inventions from this country will make her a formidable power, and nations everywhere will ally with her and come to learn from her.

It will be unwise of me not to warn the leaders of Iran that their rejection of the Will of Eloah will spurn a demonstration of YHWH's power as it was in the time of Moses and will bring divine judgments. They will lose control of the nation. Events will happen that will shake the nation and the country to its foundation until YHWH's will is done. Eloah, be merciful that this will not be required.

When the Shar or leader of Iran shall grant the Land, I warn the nation that there will be dissenting voices against the administration, and from within their tribes they will see this move as a challenge to their sovereignty and authority. "Hold fast, you shall quickly overcome them!" says YHWH!

The area lovingly demanded by YHWH has been outlined in the map and supported with photographs. A preliminary design of the Pavillion is included with the costs of the City and Pavillion. There has been no cost spared to build the City, and it shall be designed and constructed by both volunteers and workers from all countries. There shall be a highway, seaport, and runway to accommodate all who travel by land, sea, and air. It will take seven years to build the City and Pavillion. In time to come, many additional cities shall spring outside and around its perimeters, and the region shall become a major City in the area.

Security will be the utmost priority in this City because foolish minds think they can challenge YHWH by harming Eloah's people. For this reason, no person shall enter the City and Pavillion with belongings or baggage. Everything that is required will be supplied at its security center and accommodation centers. Every person shall enter the City in the required clothes provided and shall leave filled and whole. No outside vehicle or truck shall enter the City; everything is processed at a warehouse center for security, scanning, and distribution. No evil or debased thing shall enter the Land. The City and Pavillion shall have their own network of zero-emission transport.

The Land will be Set-Apart, and everything that is found on the surface of the area and beneath it shall belong to YHWH and will not be removed from the country but housed in its museums. No oil shall be taken from the Land. The Land shall be leased from the Saudi Government in perpetuity for 1000 years with the right to renew. The payment for the area is set at One Shekel per year in perpetuity. The City shall tithe ten percent of all its donation income to the treasury of Iran, which shall distribute it to the poor. The Government shall not tax the income of the City or impose penalties or sanctions. The Government shall guard the perimeters of the City with a royal guard.

The Laws and Regulations of the nation of Iran will not be enforceable on the Land. The Land will have its Laws and Regulations based on the Laws of the Torah and other Religions, and the laws of Iran shall grant it, and the Shar or leader shall guarantee it forever. No external religious law will apply to the Land and its priests. People who transgress the laws of Iran inside or from outside will not be allowed to take refuge in the City. All who commit a crime and flee to the City shall be treated humanely and

be given just representation by the Priests of the City before the Iranian authorities in the prescribed time and manner.

No part of the Land can be sub-leased or sold or made into private housing developments. The City and its Pavillion belong to the Priests of YHWH. They shall administer the estate and its inheritance in perpetuity. The Priests shall come from all religious orders, families, and tribes and shall be trained in the Torah of YHWH, and will be initiated into the Melchizedek priesthood. The Pavillion shall house the Ark of the Covenant and all the furniture of the Tabernacle. No animal and bird sacrifices are permitted on the Land, but Priests shall offer oblations. This is the Will of YHWH!

I have said much already and sufficient to make YHWH's will and purpose clear. This letter does not seek to negotiate with authorities, powers, and rulers or convince anyone. I have delivered what I know and understand to be the uncompromising Will of YHWH. I am His servant, and I make no apology to anyone who is offended by this letter. I plea that this letter will motivate you to pray in this direction because every promise in the Bible and the Quran depends entirely upon its fulfillment. I beseech you; nothing in this world is as important as this!

The Plan

The plan of YHWH for the region is to allow NOMANSZONE to construct the Tabernacle of Dawid and the City as proposed in this Factual. It is determined that millions of people will resettle in the area once the Tabernacle is restored. NOMANSZONE, under the seal of YHWH's name, guarantees the Iranian community that it will fill every accommodation and business facility in the area and region with YHWH's people from all nations and religions. This is the End time restoration and return (Aliyah) as prophesied by the Prophets.

We declare it has begun with the unveiling of Yerushalem!

NOMANSZONE, a non-profit organization, will manage the project and operation. See nomnazone.org. I will oversee the project and manage it through its various construction phases. There will be many specialized people who will join me in this vision. These people are Muslims, Church ministers, Jewish experts, and professional people. It will take about 12 months to prepare the core and body of people needed to work and operate the construction team. Everything will be professionally fulfilled and completed according to Eloah's righteous standard. The budget I have determined assures that only the best is done. As the primary donor, the leader of Iran will have a permanent place on the board of NOMANSZONE and a place of residence in the Centre and not to mention their place in His Kingdom and the glory to come.
