

THE OLAM MALCHUT HA-SHAMAYIM ORDER

PLAN AND STRATEGY

DOCUMENT

(Important terms - YHWH is the English translation of the Divine name יהוה. Elohim is the equivalent of God in English)

THE PURPOSE OF THIS DOCUMENT

The epitome and climax of all history are upon us. What was hidden is now revealed. You are reading this document because it is time for you to know and understand the Plan and the Strategy for the establishment of the Kingdom of YHWH on Earth. You are dearly chosen.

Man has lost his right to rule and manage the Earth. Mankind's power, authority, and use of the Earth's resources have been terminated. The results of man's administration of the Earth are listed in this document. Should Elohim allow us to continue on our current pathway of arrogance, recklessness, ignorance, greed, genocide, and war we would depopulate the Earth and Artificial Intelligence will rule man in fifty years. A soulless intelligence answerable to self that is not the destiny of mankind.

Long ago we were imprisoned on Earth to serve consecutive life sentences for cosmic rebellion and treason in the family of Elohim. We are not free Beings but prisoners under surveillance. Every living thing is observed and their thoughts, words, and movements are recorded for evaluation and determination. There is a Day of Judgement for all mankind and every religion was taught to remember this Day and prepare mankind for it.

Every system of Government we have instituted has produced death and destruction of lifeforms, the decay of our eternal values, the disdain of divine orders, and the setting aside of natural laws. Instead of repair and reformation and advancement, we have used our gifts of medicine, science, and technology to enslave, mistreat and control mankind and ravage the planet. We have repeated the mistake of our cosmic past to resurrect the Order that was condemned not to exist again. Our criminal behavior has sent ripples into the Universe that has moved the hand of the Divine Council to act.

There is but one supreme law that governs all life and that is the law of Oneness and Love. Do we not yet understand that all things are connected on the Earth and this domain is connected to the Universe? We are not here to do our own will and thing contrary to the laws and principles of the Universe. The illusion of time and death makes us believe that everything is eventually forgotten and lost. Therefore, we can do as we will regardless of the consequences to others and our planet. The escalated and ongoing suffering and outcry of humans, animals, and nature have moved the heart of Elohim.

The Day of YHWH was passed to begin before the end of this Century. The Council has had enough and saw no light on the Earth. Everywhere evil thrived and ruled the hearts of men. Through the intervention and voice of the Royal House of Elohim, mankind has been granted a conditional pardon. Had we carried on with our present pathway, the Edict of Fire would have been applied in 60 years and no life would remain. Earth would become like Mars lifeless and dead and the vast majority of human beings sent to the Abyss along with ha-Satan and his forces.

Mankind is allowed to continue on this planet because of the humility, goodness, love, and mercy of the Divine Council that was undeservingly bestowed upon you. Unless the Royal House of Elohim had intervened humanity was doomed. YHWH accepted the pleas and arguments of the Royal House of Elohim whose pleadings are listed in this document.

But understand this, mankind can still be terminated along with Satan and his forces and the Divine Council would have been completely justified in their decision. Mankind was judged at the end of Enoch's 10-week period and found wanting in this final age (See the book of Enoch). This generation has accumulated greater evil than the generation of Noah and all subsequent generations combined.

This document is the Plan and Strategy of the Divine Council for mankind and the Earth. It was given to us for implementation by all Nations and peoples. To reject any part of it will be met with divine judgments and have repercussions for all. The purpose of this document is to realign man with the Will, Purpose, and Plan of the Divine Council and complete the Divine Mission. To oppose it is nothing less than cosmic treason and rebellion and will result in the termination of the Program. Do not test them.

We are at the last phase of the Program. The time is at hand for the Kingdom of Elohim to be established on Earth and the start of the Great Shabbat prophesied by many prophets' great and small. No one who loves Elohim and his neighbor have anything to fear and worry about this document. All who do evil are on notice and must immediately cease or expect judgment. The time and reign of the wicked have ended and the wicked shall cease from the Earth and the righteous shall flourish and shine.

THE PLEADINGS OF THE ROYAL HOUSE OF ELOHIM

These are the pleadings we made before the Divine Council:

- The first was, "What would the Universe (all created living things) say of the HA-ELOHIM (the Righteous Judge of all) that "They" created them mankind for "Their" righteous wrath since it was foreknown in "Their" infinite power and wisdom that they would rebel."
- The second was, "Can the Righteous Judge of all say with all certainty that no good exists in any of them? That there is not one who is righteous among them or can be righteous. Will you save all for the sake of one?"
- The third was, "Can the Righteous Judge of all say with all certainty that if the circumstances had been different for each one of them, would they fail to do the right thing? Perhaps this was a thing of chance?"
- The fourth was, "Can the Righteous Judge of all condemn a child who has had no real instruction in the truth of the Torah? Thus, it could be said, "He" failed to train them properly."
- The fifth was, "Can the Righteous Judge of all condemn all for the actions of a rebellious few who lead them? Thus, it could be said, "He" is unfair."
- The sixth was, "Can it be said that the Righteous Judge of all created them perfect yet they fell in disgrace?" Thus, it could be said, "He" did not create them with a flaw.
- The seven was, "Would the Righteous Judge of all agree to a pledge in that I would offer my life and inheritance for them all, and I receive their just punishment?"
- The eighth was, "Can the Righteous Judge of all close the Program He created and started without completing it to the end" Perhaps the program was a mistake and failure."
- The ninth was, "Can the Righteous Judge of all disregard the hard work and sacrifice many righteous prophets and teachers have made" What are we to say to them that they also failed?"
- The tenth was, "Can the Righteous Judge of all permit evil to triumph and Satan to boast that he has proved his point and he and his fallen angels should be released into the Universe" Elohim forbid that this should happen, the chaos will thrive unfetter and universe destroyed.

The Divine Council decided unanimously to accept the pleadings except for the seventh plea, that plea was satisfied long ago. The Council reversed its decree to implement the Divine Edicts (Judgements). A Divine Stay has been placed on the Judgements until the end of One thousand years but this will not stop the consequences of lawlessness and sin we brought upon the Earth. There are interim judgments in progress that will stop until the Kingdom envelops the Earth. Thus, we proclaim the words of the Prophet *"of the increase of the Kingdom and His rule, there shall be no end"* Yeshayahu (Isaiah) 9:7.

THE ROYAL HOUSE OF ELOHIM

Our Mandate: The Royal House of Elohim is the House of the Royal Family of Elohim. It is the fulfillment of YHWH's word to establish the Royal House of His beloved, Melech Dawid before the great and terrible Day of Yom YHWH. (See Melechim Alef (First Kings) 11:38; Melech Dawid (Schmuel Bet (Second Samuel) 7:8-17; Yeshayahu (Isaiah) 9, 11, 32, 40, 60; Yirmeyahu (Jeremiah) 23:5, 33:17; Ahmos (Amos) 9:11-12).

Our Residence: The Royal House of Elohim is the Divine Council's official office and residence on Earth for this dispensation. We are not an Embassy or a Palace but the Home and Centre of the family of Elohim on Earth. We are a Sovereign State (to be ratified).

Our Mission: This House oversees the mission of the four Messiahs. Ha-Mashiach (The Messiah), Ha-Navi (The Prophet), Ha-Kohen haGodal (The High Priest), Moreh haTzadik (The Righteous Teacher). The first family of Elohim and eternal members of the Divine Council are known to all religions by many names. Reverence and respect for the family are required of all councils, nations, and countries. Members of the Royal House of Elohim are chosen by YHWH. Servants of this House are selected according to their calling and purpose.

Our Location: The headquarters of the Royal House of Elohim is located at Levili Apia Samoa. The Council chose this humble country because it is the place where the Foundation Stone of the Earth is located at Falelupo Savaii (See Enoch 18:1-2). From here YHWH measured the Earth and placed the gateway into the underworld where all souls are kept for regeneration. It is also the area of underwater refuge in the final judgment of Yom YHWH when time is complete. For this reason, the nation of Samoa holds diplomatic and preferred status in all world functions.

Our Divinity: Humankind is angels sentenced into human bodies undergoing a restoration program over millennial weeks due to the cosmic rebellion and war in a time not so far away. Not all persons on Earth are here to undergo restoration, many volunteered to serve as Lights to humanity – they are the Elect of YHWH in every race and nation. The chosen vessel is Yisra'el and our everlasting heritage is the Olam Malchut Ha-Shamayim. This is all revealed in Issue 12.

Our Sovereignty: The Royal House of Elohim is a Sovereign body and nation (to be ratified). We hold seats in the main Councils where our representatives sit and we retain the right to veto, revise or repeal any decision. We hold the divine right to grant or confer authority and power on any person, council, or nation. We appoint or approve the Global Council members and require an oath and allegiance in the Sacred Name. We seek no jurisdiction and recognition from man or any earthly authority.

Our Administration: The arm and administration of the Royal Family of Elohim are NOMANSZONE. The ministry of Eliyahu ha-Navi, the beloved friend and servant of YA. The Royal House of Elohim holds in trust the title deed of the Earth in the Name of Elohim. In the authority and power of the Divine Council, we manage and administer the Earth.

Our Lease: The Earth belongs to its natural citizens – the life forms that are here before we arrived. We are here as their guests and they feed us and we use their resources. No person or group owns anything on Earth. All things above and below belong to the Creator who under His love and kindness all things exist and from whom we have our being and mandate to live on this beautiful globe. Man is not above other lifeforms on this planet.

Our Purpose: The Royal House of Elohim divinely issues Edicts and Orders from the Divine Council of the Universe. As such all our edicts orders, instructions, actions, projects, and numerous activities are backed by the Royal Army. All our decisions are final and cannot be appealed. However, they can be explained and clarified.

Our Jurisdiction: No council, country, nation, race, ethnic group, tribe or person or living thing is outside the jurisdiction of the Royal House of Elohim including Yisra'el and all malakim who work in the Earth zone. The air, water, and land and all that it contains are under the Royal House of Elohim. Our solar system is a protectorate of the Royal House of Elohim. The Royal House of Elohim is immune from all human law, jurisdiction, and judgment because we are the extension of the Divine Council on Earth.

Our Forces: The Royal House of Elohim commands no human earthly army. We command an angelic army the Malakim and their ranks carry out the Edicts of Elohim. They are immortal and more powerful than any human army or weapon combined. They surround the Royal House of Elohim and they will respond to any threats and dangers. To attack this House or its members is utter stupidity, and will be met with an angelic response and may result in the cessation of the Divine Stay (See Melechim Bet (Second Kings) 6:16-17, 19:35; Yeshayahu (Isaiah) 37:36-38; Gilyahna (Revelation) 9:13-16).

Our Resolve: The Royal House of Elohim rules with an iron hand (See Yeshayahu (Isaiah) 9:6-7, 37:28, 40:9-10; Zechariah (Zechariah) 14:1; Gilyahna (Revelation) 2: 26-27, 11:17-19, 19:15-16). We command nature and supernatural weapons of unlimited power, penetration, and destruction and we will use them if provoked. Make no mistake about this. The Royal House of Elohim tolerates no evil and its forces. Do not test us. All people who do good and respect life will thrive and prosper. All who do evil will be found and judged.

Our Belief: Above all we value and uphold Love, Peace, Joy, Kindness, Goodness, Mercy, Justice, Faithfulness, and Obedience. We obey and keep the Torot. The eternal instructions of truth, morality, and righteousness as given by the Supreme Elohim which truths are contained in all religions. We teach and direct Torah for restoration, regeneration, and the Aliyah. We respect religious law, natural law, human rights, and national and international law so long as it does not contradict the Torot, the Edicts, the Judgements, and the Statutes.

The Torah: The Law of Moshe is the universal law of mankind. It existed in eternity prior to the commission of the Hebrew people. The Torah is infused with divine codes and messages and is a record of the history of angelic humanity. It was not authored by Moses albeit it was recorded by Him via dictation of the Ruach. Man has not the right to change or append the Torah. It is blasphemy. The books of the Neviim and Ketuvim (TaNaK) correctly apply the Torah.

The Brit Chadashah: The Renewed Covenant is a secondary divine revelation. Given to Yisra'el to guide them in the application of the Torah but its revelation does not supersede or destroy the Torah. The Torah is eternal and the final authority on all Kingdom matters. The Royal House of Elohim is the under the Torah, Naviim (Prophets), and Ketuvim (Writings) and is guided by the Brit Chadashah. We will not act or allow anything outside their parameters. This is the safety of humanity.

Other Religions: We esteem and hold all religions as the vehicles of multiple truths which have guided and preserved humanity for millenniums. Every religion is a unique revelation of the Divine Way and no one religion is above the other. We are not the judge of their books, teachings, prophets, or teachers. There will be no persecution of religious beliefs in the Kingdom. All will be taught and respected.

Our Power: The Royal House of Elohim has the authority to remove the name of any person from the Book of Life and condemn that person to everlasting hell. We have the power to restore all Kingdom lines, positions, rights, and passages upon the completion of the Program. All our judgments will be fair, thorough, and remedial for the preservation and restoration of the Angel that is you. Remember always you are here on probation and you must merit a return to your former Angelic status. This is the prize all must seek and not the temporal things of this life and Earth (See Issue 12).

Our Authority: The Royal House of Elohim acts according to the edicts and orders of Elohim. We answer to no earthly authority or power. Those who oppose or resist the Royal House Elohim oppose the Creator and the Universe. Those who take up arms, violence against, or publish untruths/lies about the Royal House of Elohim or their appointed members and Council members will be met with severe judgments with repercussions. You will be found, arrested, and swiftly judged.

Our Sacredness: The Royal House of Elohim and our members and Council members take and accept no bribes, contracts, or remunerations. We are not here to appease, please or benefit anyone or group. It is unlawful to criticize, bribe, influence, or instruct a Royal House or Council member. We are not in our positions to gather honors, titles, accolades, gifts, riches, gold, monies, assets, lands, or properties. We consider these things of low value and worthless in the Universe. We are here to serve and prepare humanity. We will reward our members fairly and justly and they have benefits and privileges assigned from above that no man can remove.

Our Program: The Royal House of Elohim is the head of the Program. The history, purpose, goals, and duration of the program have been explained in our releases. This is not our home but a place set

by the Divine Council to operate the Program over the appointed time. Heaven is not our destination but a place where the Program is administered and monitored.

Our Tithe: The Royal House of Elohim commands a tithe from all peoples, nations, and enterprises who use the resources of the Earth. We collect the tithe through the Priests, gather it into the Storehouses, and administer the tithe for all humanity as it was designed from the beginning (See Beresheeth (Genesis) 14:18–20; Wayiqra (Leviticus) 27:30-34; Malachi (Malaki) 3:8-10; Mattityahu (Matthew) 23:23). None of these funds shall be hoarded for wealth or used to build human empires.

Our Functions: The Royal House of Elohim's primary function is to rule, administer and issue the Edicts and Orders of the Divine Council. As such all our edicts orders, instructions, actions, projects, and other activities are backed by the Royal Army and enforced by Council forces. It is our secondary function to raise and train Kohanim and Leaders for the work of YHWH. All Priests and Leaders are under the Kingdom mandates and umbrella of the Royal House of Elohim (See Issue 12).

Our Decisions: The Royal House of Elohim's decisions are final and cannot be appealed. However, they can be explained and clarified. All our decisions must be carried out in timely order and with exactness. We take full responsibility before the Divine Council for the results of our decisions and we stand by our decisions.

Our Admission: We do not know everything nor are we infallible but we do strive always to operate in the knowledge, understanding, humility, wisdom, fear, and love of Elohim. We guide all our decisions according to the great law and principle of Love for Elohim and Love for our Neighbour. We are open to receiving any recommendations, plans, and ideas to improve the condition of humanity in all areas which must be submitted through the Councils.

Our Journey: We have all gone astray and have sinned and fallen short of the Standard of the Torah. Man is the author of evil, fear, darkness, destruction, and chaos. Man's corrupted heart is responsible for the suffering, destruction, and death of many millenniums. We arrived at this point because of human lust and greed for power, glory, riches and to become a god. We were given the choice to choose righteousness but we chose evil despite the revealed truth in all religions.

Our Judgement: This generation has done more evil than the generation of Noah. It is by the sheer mercy and goodness of YHWH that the program was not terminated. Therefore, mankind is judged and found wanting in this final age. However, humanity has been given a conditional pardon and we intend to make sure this time mankind will not fail. Thus, we will do whatever is necessary with whatever means to bring us back to the appointed pathway.

Our Light: The Royal House of Elohim is the bearer of the Light and we bring you the Light of YHWH and that Light shines upon the Earth. The darkness is set to recede and the morning cometh and the day of the long Sabbath will bring great joy, life abundant, greater advancements, and unfetter prosperity. Mankind will know universal peace and brotherly love for the first time.

Our Nation: Our nation is Yisra'el and our city is Yerushalem. The City of Yerushalem is located at the site of Persepolis in Iran. This is the City of Melech Dawid and the site of the Temple and the magnificent gardens that Melech Shlomo created that were all burned, leveled, and hidden by the Roman Empire who rewrote the annals of history. The Set Apart Mount is towards the North a 40-day walk from the City over the Yarden where Ahdam and Chavah's bones are buried and where Moshe died.

Our Task: Yerushalem will be rebuilt, and the Temple and the Priesthood restored as a beacon of truth and hope for all nations. All of mankind shall know the truth, peace, and love as it was in the beginning. Knowledge of Elohim and the Torah shall cover the land and sea (See Yeshayahu (Isaiah) 11:6-10; Chabakook (Habakkuk) 2:14; Mattityahu (Matthew) 5:17-20).

Our Destiny: It is decreed that happiness and paradise shall return to the Earth. The Divine Council will be headquartered on Earth. In the fullness of time, man shall be married to Elohim and Elohim will dwell with man and we shall become the Melechim (See Issue 12).

HalleluYah!
