INTRODUCTION

The Divine Council of Elohim (Ba-Adat-El) is the Universe's supreme governing authority and power and sits at our Galaxy's center. Every embodiment of virtue, all that is good and just, and all that is love and peace resides with them. At the same time, they are the Supreme rulers who decide on the status and progress of every planet.

This Council issued the edicts for the Angels to destroy the Earth with water, and they instructed Nature's forces to destroy numerous wicked nations and civilizations. On the contrary, they also commissioned Moses to bring us the Eternal Law and instructed the building of the Temple and installation of a Priesthood.

It is upon Ba-Adat-El instructions that this document was created and published. This publication is not a religious or political text. It is not intended for discussion or debate or to elicit a response. It came to us as "a divine Instruction" to avert the Day of Judgment – a final warning. To bring humanity back on course with the Divine Program that began from the days of our great father, Adam.

You can receive it as was intended to be a final warning and good news or dismiss it as a work of fiction or fantasy. We care not. Ultimately its fulfillment will come through either Negotiation, Force, or Destruction. The outcome is in our hands. But let it not be said that we did not know and understand. Let he who was an ear let him listen to what the Council says. Amen.

SECTION ONE

This Section reveals the side of Elohim and Heaven.

This is how Elohim and the Divine Council have assessed the Earth's situation. This is their response to Earth's current condition.

Malchut Ha-Shamayim

THE PLEADINGS

These are the pleadings of the Royal House of Elohim made before the Divine Council in 2019 during the period of the Days of Awe:

The first was, "What would the Universe (all created living things) say of the HA-ELOHIM (the Righteous Judge of all) that "They" created them mankind for "Their" righteous wrath since it was foreknown in "Their" infinite power and wisdom that they would rebel."

The second was, "Can the Righteous Judge of all say with all certainty that no good exists in any of them? That there is not one who is righteous among them or can be righteous. Will you save all for the sake of one, or will you destroy all because of the work of a few?"

The third was, "Can the Righteous Judge of all say with all certainty that if the circumstances had been different for each of them, would they fail to do the right thing? Perhaps this was a thing of chance?"

The fourth was, "Can the Righteous Judge of all condemn a child who has had no real instruction in the truth of the Torah? Thus, it could be said, "He" failed to train them properly."

The fifth was, "Can the Righteous Judge of all condemn all for the actions of a rebellious few who lead them? Thus, it could be said "He" is unfair."

The sixth was, "Can it be said that the Righteous Judge of all created them perfect, yet they fell in

The Kingdom of Heaven

disgrace?" Thus, it could be said "He" did not create them with a flaw.

The seven was, "Would the Righteous Judge of all agree to a pledge in that I would offer my life and inheritance for them all, and I receive their just punishment?" Some already did this for us.

The eighth was, "Can the Righteous Judge of all close the Program He created and started without completing it to the end" Perhaps the program was a mistake and a failure."

The ninth was, "Can the Righteous Judge of all disregard the hard work and sacrifice many righteous prophets and teachers have made." What are we to say of them that they also failed?

The tenth was, "Can the Righteous Judge of all permit evil to triumph and Satan to boast that he has proved his point and he and his fallen angels should be released into the Universe" Elohim forbid that this should happen; the chaos will thrive unfettered, and the Universe destroyed.

Malchut Ha-Shamayim

THE VERDICT

The Verdict was delivered on Yom Kippur 2020.

The Divine Council decided unanimously to accept the pleadings of the Royal House of Elohim, except for the seventh plea, that plea was satisfied long ago with the sacrifice of Messiah Yeshua.

The Council reversed its decree to implement the Divine Edicts (Judgements).

A Divine Stay has been placed on the Judgements until the end of One thousand years, but this will not stop the consequences of lawlessness and sin we brought upon the Earth.

There are interim judgments in progress that will not stop until the Kingdom envelops the Earth.

Thus, we proclaim the words of the Prophet *"Of the increase of the Kingdom and His rule, there shall be no end"* Yeshayahu (Isaiah) 9:7.

SECTION TWO

This Section reveals the establishment of the Royal House of Elohim and its function. A message from its Head to humanity. It answers all questions about the Royal House of Elohim.

MESSAGE

You are dearly chosen,

The epitome and climax of all history are upon us. What was hidden is now revealed, and what was lost is recovered. You are reading this document because it is time to know and understand the Plan, Order, and Strategy for establishing the Kingdom of YHWH on Earth in commonsense and plain language. The Kingdom of Elohim is the sole authority and power that rules this Universe. All illegitimate kingdoms were outlawed eons ago, and what survived manifests for a time on Earth.

Long ago, we were imprisoned on Earth to serve consecutive life sentences for cosmic rebellion and treason in the family of Elohim. We are not free beings but prisoners under surveillance. Every living thing is observed, and their thoughts, words, and movements are recorded for evaluation and determination. There is a Day of Judgement for all mankind; every religion was taught to remember this Day and prepare mankind for it. That day has arrived.

Man has lost his right to rule and manage the Earth. Humanity's power, authority, and use of the Earth's resources have been terminated. The results of man's administration of the Earth are listed in this document. Should Elohim allow us to continue on our current pathway of arrogance, recklessness, ignorance, greed, genocide, and war, we would depopulate the Earth. Artificial Intelligence will rule man in fifty years. A soulless intelligence answerable to self that is not the destiny of mankind.

Malchut Ha-Shamayim

Every system of Government we have instituted has produced death and destruction of lifeforms, the decay of our eternal values, the disdain of divine orders, and the setting aside of natural laws. Instead of repair, reformation, and advancement, we have used our gifts of medicine, science, and technology to enslave, mistreat and control mankind and ravage the planet. We have repeated the mistake of our cosmic past to resurrect the Order that was condemned not to exist again. Our lawless behavior has sent ripples into the Universe that has moved the hand of the Divine Council to act.

We are not the only civilization in this Galaxy. Countless others exist in various stages of development. What we do on Earth resounds in the remotest regions of our Galaxy, and what we explode or implode here disrupts the fabric of the Universe, sending ripples into time and space. One supreme law governs all life: the law of Oneness and Love. Do we not yet understand that all things are connected on the Earth and this domain is connected to the Universe? We are not free to do as we please without consequences to others.

As a construct of the Divine Plan, we are not here to do our own will and thing contrary to the laws and principles of the Universe. The illusion of time, space, and evolution makes us believe that everything is eventually forgotten and lost. We are our own masters; therefore, we can do as we will regardless of the consequences to others and our planet. Nothing is ever forgotten, the Akashic Record in Heaven and on Earth meticulously records everything, and we will answer for what we have done corporately and individually.

The Kingdom of Heaven

It took millions of years to create and stabilize the biosphere of the Earth to enable it to produce and sustain life. This priceless and wonderful gift was given to us for our enjoyment and restoration. Sadly we have managed to bring it to the brink of destruction in one Century. Countless lifeforms and ecosystems have already disappeared from the Earth, and many more are in the process. The escalated and ongoing suffering and outcry of humans, animals, and Nature have moved the heart of Elohim to act.

The Day of YHWH was passed to begin before the end of this Century. The Council has had enough of the endless reports of violence, death, and destruction that plague our history and saw no light on the Earth. Everywhere evil thrived and ruled the hearts of men. Messenger after messenger in the form of prophets, scientists, protestors, etc., was sent to inform us, even angels who masked themselves as aliens to warn us directly. But like stubborn ants, we marched on in infamy and crossed the line of no more mercy. The age was set to finish.

Through the intervention and voice of the Royal House of Elohim, which began in 2009, mankind has been granted a "conditional pardon." Had we carried on with our present pathway without intervention, the Edict of Fire would have been applied in 50 years, and no life would remain. Earth would become like Mars, lifeless and dead, and the vast majority of human beings would be sent to the Abyss along with ha-Satan and his forces.

Mankind is allowed to continue on this planet because of the humility, goodness, love, and mercy of the Divine Council that was undeservingly bestowed upon our species. Unless the Royal House

Malchut Ha-Shamayim

of Elohim had intervened, humanity was doomed. YHWH accepted the pleas and arguments of the Royal House of Elohim, whose pleadings are listed in this document. This is the work of Eliyahu.

The Divine Council saw our future, and they perceived through prophecy that we could change. Still, the instrument of that change requires a global and concerted effort to realize the only solution the Council has prepared from the foundation of the Earth – Malchut Ha-Shamayim. The Kingdom of Elohim has no earthly equal and was designed to embrace and respect all people, nations, and faiths. It is not another dictatorship or power but a Kingdom with checks and balances based on the Law of Love of Elohim and our Neighbor. Life cannot function anywhere in the Universe without Laws.

But understand this, mankind can still be terminated along with Satan and his forces, and the Divine Council would have been wholly justified in their decision. Mankind was judged at the end of Enoch's 10-week period and found wanting in this final age (See the book of Enoch). This generation has accumulated greater evil than the generation of Noah and all subsequent generations combined. Yet this age is also the sum total of man's best achievements that demonstrates that we have the ability and capacity to change and restore paradise to the Earth. It is not too late if we do it now.

This document is the Plan, Order, and Strategy of the Divine Council for mankind and the Earth. It was given to us for implementation by all Nations and peoples. To reject any part of it will be met with divine judgments and have repercussions for all. The purpose of this document is to realign man with the Will, Purpose, and Plan of the Divine Council and

The Kingdom of Heaven

complete the Divine Mission. To oppose it is nothing less than cosmic treason and rebellion and will result in the Program's termination. Do not test them.

We are at the last phase of the Program. The time is at hand for the Kingdom of Elohim to be established on Earth and the start of the Great Shabbat prophesied by many prophets' great and small. No one who loves Elohim and his neighbor has anything to fear and worry about this document. All who do evil are on notice and must immediately cease or expect judgment. The wicked's time and reign have ended, the wicked shall cease from the Earth, and the righteous shall flourish and shine.

Malchut Ha-Shamayim

THE ROYAL HOUSE OF ELOHIM

Our Mandate: The Royal House of Elohim is the House of the Royal Family of Elohim. It is the fulfillment of YHWH's word to establish the Royal House of His beloved, Melech Dawid, before the great and terrible Day of Yom YHWH. (See Melechim Alef (First Kings) 11:38; Melech Dawid (Schmuel Bet (Second Samuel) 7:8-17; Yeshayahu (Isaiah) 9, 11, 32, 40, 60; Yirmeyahu (Jeremiah) 23:5, 33:17; Ahmos (Amos) 9:11-12).

Our Residence: The Royal House of Elohim is the Divine Council's (Ba-Adat-El) official office and residence on Earth for this dispensation. We are not an Embassy or a Palace but the Home and Centre of the family of Elohim on Earth. We are a Sovereign State (to be ratified).

Our Mission: This House oversees the mission of the four Messiahs. Ha-Mashiach (The Messiah), Ha-Navi (The Prophet), Ha-Kohen haGodal (The High Priest), Moreh haTzadik (The Righteous Teacher). The first family of Elohim and eternal members of the Divine Council are known to all religions by many names. Reverence and respect for the family are required of all councils, nations, and countries. YHWH chooses members of the Royal House of Elohim. Servants of this House (Ambassadors) are selected according to their calling and purpose.

Our Location: The headquarters of the Royal House of Elohim is located at Levili Apia, Samoa. The Council chose this humble country because it is the place where the Foundation Stone of the Earth is located at Falelupo Savaii (See Enoch 18:1-2). From

here, YHWH measured the Earth and placed the gateway into the underworld, where all souls are kept for regeneration. It is also the area of underwater refuge in the final judgment of Yom YHWH when time is complete. For this reason, the nation of Samoa holds diplomatic and preferred status in all world functions.

Our Divinity: Humankind is angels sentenced into human bodies undergoing a restoration program over millennial weeks due to the cosmic rebellion and war in a time not so far away. Not all persons on Earth are here to undergo restoration; many volunteered to serve as Lights to humanity – they are the Elect of YHWH in every race and nation. The chosen vessel is Yisra'el, and our everlasting heritage is the Olam Malchut Ha-Shamayim. This is all revealed in ISSUE ONE.

Our Sovereignty: The Royal House of Elohim is a Sovereign body and nation (to be ratified). We hold seats in the Principal Councils where our representatives sit and retain the right to veto, revise or repeal any decision. We hold the divine right to grant or confer authority and power on any person, Council, or nation. We appoint or approve the Global Council members and require an oath and allegiance in the Sacred Name. We seek no jurisdiction and recognition from man or any earthly authority.

Our Administration: The arm and administration of the Royal Family of Elohim are NOMANSZONE—the ministry of Eliyahu ha-Navi, the beloved friend and servant of YA. The Royal House of Elohim holds in trust the title deed of the Earth in the Name of Elohim. In the authority and power of the Divine Council, we manage and administer the Earth during this period of the Divine Stay.

Malchut Ha-Shamayim

Our Lease: The Earth belongs to its natural citizens – the life forms that were here before we arrived. We are here as their guests; they provide for us, and we use their resources. No person or group owns anything on Earth. All things above and below belong to the Creator, who, under His love and kindness, all things exist and from whom we have our being and mandate to live on this beautiful globe. Man is not above other lifeforms on this planet.

Our Purpose: The Royal House of Elohim divinely issues Edicts and Orders from the Divine Council of the Universe for the Earth. As such, all our edicts, orders, instructions, actions, projects, and numerous activities are backed by the Royal Army. All our decisions are final and cannot be appealed. However, they can be explained and clarified.

Our Jurisdiction: No council, country, nation, race, ethnic group, tribe or person, or living thing is outside the jurisdiction of the Royal House of Elohim, including Yisra'el and all Malakim who work in the Earth zone. The air, water, land, and all it contains are under the Royal House of Elohim. Our solar system is a protectorate of the Royal House of Elohim. The Royal House of Elohim is immune from all human law, jurisdiction, and judgment because we are the extension of the Divine Council on Earth.

Our Forces: The Royal House of Elohim commands no human earthly army. We command an angelic army, the Malakim, and their ranks carry out the Edicts of Elohim. They are immortal and more powerful than any human army or weapon combined. They surround the Royal House of Elohim, and they will respond to any threats and dangers. To attack this House or its members is utter stupidity, and will be met with an angelic response

and may result in the cessation of the Divine Stay (See Melechim Bet (Second Kings) 6:16-17, 19:35; Yeshayahu (Isaiah) 37:36-38; Gilyahna (Revelation) 9:13-16).

Our Resolve: The Royal House of Elohim rules with an iron hand (See Yeshayahu (Isaiah) 9:6-7, 37:28, 40:9-10; Zecharyah (Zechariah) 14:1; Gilyahna (Revelation) 2: 26-27, 11:17-19, 19:15-16). We command Nature and supernatural weapons of unlimited power, penetration, and destruction and will use them if provoked. Make no mistake about this. The Royal House of Elohim tolerates no evil and its forces. Do not test us. All people who do good and respect life will thrive and prosper. All who do evil will be found and judged.

Our Belief: Above all, we value and uphold Love, Peace, Joy, Kindness, Goodness, Mercy, Justice, Faithfulness, and Obedience. We obey and keep the Torot. The eternal instructions of truth, morality, and righteousness as given by the Supreme Elohim, which truths are contained in all religions. We teach and direct Torah for restoration, regeneration, and the Aliyah. We respect religious law, natural law, human rights, and national and international law so long as it does not contradict the Torot, the Edicts, the Judgements, and the Statutes.

The Torah: The Law of Moshe is the universal law of mankind. It existed in Eternity prior to the commission of the Hebrew people. The Torah is infused with divine codes and messages and records the history of angelic humanity. Moses did not author it, albeit he recorded it via dictation of the Ruach. Man has not the right to change or append the Torah. It is blasphemy. The Neviim and Ketuvim (TaNaK) books correctly apply the Torah.

Malchut Ha-Shamayim

The Brit Chadashah: The Renewed Covenant is a secondary divine revelation. It is given to Yisra'el to guide them in applying the Torah, but its revelation does not supersede or destroy the Torah. The Torah is eternal, and the final authority on all Kingdom matters. The Royal House of Elohim is the under the Torah, Naviim (Prophets), and Ketuvim (Writings) and is guided by the Brit Chadashah. We will not act or allow anything outside their parameters. This is the safety of humanity.

Other Religions: We esteem and hold all religions as the vehicles of multiple truths which have guided and preserved humanity for millenniums. Every religion is a unique revelation of the Divine Way; no one religion is above the other. We are not the judge of their books, teachings, prophets, or teachers. There will be no persecution of religious beliefs in the Kingdom. All will be taught and respected.

Our Power: The Royal House of Elohim has the authority to remove the name of any person from the Book of Life and condemn that person to everlasting hell. We have the power to restore all Kingdom lines, positions, rights, and passages upon completing the Program. All our judgments will be fair, thorough, and remedial for preserving and restoring the Angel that is you. Remember always you are here on probation and must merit a return to your former Angelic status. All must seek this prize, not the temporal things of this life and Earth (See ISSUE ONE).

Our Authority: The Royal House of Elohim acts according to the edicts and orders of Elohim. We answer to no earthly authority or power. Those who oppose or resist the Royal House Elohim oppose the Creator and the Universe. Those who take up arms,

violence against, or publish untruths/lies about the Royal House of Elohim or their appointed members and Council members will be met with severe judgments with repercussions. You will be found, arrested, and swiftly judged.

Our Sacredness: The Royal House of Elohim and our members and Council members take and accept no bribes, contracts, or remunerations. We are not here to please appease or benefit anyone or group. It is unlawful to criticize, bribe, influence, or instruct a Royal House or Council member. We are not in our positions to gather honors, titles, accolades, gifts, riches, gold, monies, assets, lands, or properties. We consider these things of low value and worthless in the Universe. We are here to serve and prepare humanity. We will reward our members fairly and justly, and they have benefits and privileges assigned from above that no man can remove.

Our Program: The Royal House of Elohim is the Head of the Program. The history, purpose, goals, and duration of the program have been explained in our releases. This is not our home but a place set by the Divine Council to operate the Program over the appointed time. Heaven is not our destination but a place where the Program is administered and monitored.

Our Tithe: The Royal House of Elohim commands a tithe from all peoples, nations, and enterprises who use the resources of the Earth. We collect the tithe through the Priests, gather it into the Storehouses, and administer the tithe for all humanity as it was designed from the beginning (See Beresheeth (Genesis) 14:18–20; Wayiqra (Leviticus) 27:30-34; Malachi (Malaki) 3:8-10; Mattityahu (Matthew)

Malchut Ha-Shamayim

23:23). None of these funds shall be hoarded for wealth or used to build human empires.

Our Functions: The Royal House of Elohim's primary function is to rule, administer and issue the Edicts and Orders of the Divine Council. All our edicts, orders, instructions, actions, projects, and other activities are backed by the Royal Army and enforced by Council forces. It is our secondary function to raise and train Kohanim and Leaders for the work of YHWH. All Priests and Leaders are under the Kingdom mandates and umbrella of the Royal House of Elohim (See ISSUE ONE).

Our Decisions: The Royal House of Elohim's decisions are final and cannot be appealed. However, they can be explained and clarified. All our decisions must be carried out in timely order and with exactness. We take full responsibility before the Divine Council for the results of our decisions, and we stand by our decisions.

Our Admission: We do not know everything, nor are we infallible, but we do strive always to operate in the knowledge, understanding, humility, wisdom, fear, and love of Elohim. We guide all our decisions according to the great law and principle of Love for Elohim and Love for our Neighbour. We are open to receiving any recommendations, plans, and ideas to improve the condition of humanity in all areas, which must be submitted through the Councils.

Our Journey: We have all gone astray, sinned, and fallen short of the Standard of the Torah. Man is the author of evil, fear, darkness, destruction, and chaos. Man's corrupted heart is responsible for many millenniums of suffering, destruction, and death. We arrived at this point because of human lust and

greed for power, glory, riches, and becoming a god. We were given the choice to choose righteousness, but we chose evil despite the revealed truth in all religions.

Our Judgement: This generation has done more evil than the generation of Noah. Mankind was judged and found wanting in this final age. However, YHWH's sheer mercy, goodness, and love did not terminate the Program. Instead, humanity has been given a conditional pardon, and we intend to make sure this time mankind will not fail. Thus, we will do whatever is necessary with whatever means to bring us back to the appointed pathway.

Our Light: The Royal House of Elohim is the bearer of the Light, and we bring you the Light of YHWH, and that Light shines upon the Earth. The darkness is set to recede, the morning cometh, and the day of the long Sabbath will bring great joy, abundant life, more incredible advancements, and unfetter prosperity. Mankind will know universal peace and brotherly love for the first time.

Our Nation: Our nation is Yisra'el, and our city is Yerushalem. The City of Yerushalem is located at the site of Persepolis in Iran. This is the City of Melech Dawid, the Temple site, and the magnificent gardens that Melech Shlomo created that were all burned, leveled, and hidden by the Roman Empire, who rewrote the annals of history. The Set Apart Mount is towards the North, a 40-day walk from the City over the Yarden, where Ahdam and Chavah's bones are buried, and Moshe died.

Our Task: Yerushalem will be rebuilt, and the Temple and the Priesthood will be restored as a beacon of truth and hope for all nations. All of

mankind shall know the truth, peace, and love as it was in the beginning. Knowledge of Elohim and the Torah shall cover the land and sea (See Yeshayahu (Isaiah) 11:6-10; Chabakook (Habakkuk) 2:14; Mattityahu (Matthew) 5:17-20).

Our Destiny: It is decreed that happiness and paradise shall return to the Earth. The Divine Council will be headquartered on Earth. In the fullness of time, man shall be married to Elohim, Elohim will dwell with man, and we shall become the Melechim (See ISSUE ONE).

HalleluYah!

A GUIDE

The Plan and Order can be easily and quickly understood if you understand how it is written.

It is ordered into Seven Sections. Each section covers an essential aspect of the Kingdom of Elohim, without which universal peace, harmony, and balance cannot be achieved in our complex World.

The Plan and Order are arranged under four Principal Councils and the vital roles they will play. They are;

1. The Royal House of Elohim
2. The World Council of Sovereigns
3. The World Council of Nations
4. The World Council of Priests

These are the four pillars of the Kingdom of Elohim.

The Kingdom of Elohim is divided into twenty (20) regions ruled by a Sovereign.

These Principal Councils are responsible for specific areas in these regions. Here they are;

The Royal House of Elohim

- Divine Edicts
- Divine Guidance
- Divine Protection
- Judgment Day
- The Plan and Order
- Yerushalem and the Temple
- Prosperity and Posterity

The World Council of Sovereigns

- The Land of the World
- The Water of the World
- The Air of the World

- The Stability of Regions

The World Council of Nations

- Science and Technology
- Nature and Environment
- Government
- Law and Order
- Enterprise and Industry

The World Council of Priests

Many areas will overlap in administration, control, and monitoring. There will be some conflicts and misunderstandings initially, but they will soon

dissipate as the Kingdom Plan and Order permeates every area and sphere of humanity and Nature. I promise you we will see tremendous healing, restoration, prosperity, and growth as never experienced before in the history of mankind. I have seen it.

THE PATHS

Two roads or paths are available to the Divine Council to fulfill this Plan and Order. Please make no mistake about this; we have choices.

The first road: The Council acts. The Malakim will intervene and enforce the Plan and Order in all details across the globe ending lawlessness and wickedness with the destruction of many.

The Outcome: The Malakim will kill all the wicked, including many rulers, royals, and leaders, and spare the righteous.

The second road: We act. The Rulers and Royals of the Globe invite the Royal House of Elohim to negotiate with them to implement all details of the Plan and Order, sparing and saving many.

The Outcome: The rulers, royals, and leaders will be spared and relegated to a role in the Plan and Order, but the lawlessness and wickedness must be terminated entirely.

MALCHUT HA-SHAMAYIM

THE KINGDOM OF HEAVEN

Plan, Order, and Strategy

The epitome and climax of all history are upon us. What was hidden is now revealed, and what was lost is recovered. You are reading this document because it is time to know and understand the Plan, Order, and Strategy for establishing the Kingdom of YHWH on Earth in commonsense and plain language. The Kingdom of Elohim is the sole authority and power that rules this Universe. All illegitimate kingdoms were outlawed eons ago, and what survived manifests for a time on Earth.

This document is the Plan and Strategy of the Divine Council for mankind and the Earth. It was given to us for implementation by all Nations and peoples. To reject any part of it will be met with divine judgments and have repercussions for all. The purpose of this document is to realign man with the Will, Purpose, and Plan of the Divine Council and complete the Divine Mission. To oppose it is nothing less than cosmic treason and rebellion and will result in the Program's termination.

We are at the last phase of the Program. The time is at hand for the Kingdom of Elohim to be established on Earth and the start of the Great Shabbat prophesied by many prophets' great and small.
