PART EIGHT

THE DIVINE ORDER

ZION

The KAHAL GADOL laid the plans for THE CITY OF ZION.

The MADA and HA-MALAKIM are ordered to build the City. ZION is a City of Light and Awe. Great Gates and Highways from all over THE UNIVERSE are created and linked to ZION. Gates and Roads link every Galaxy. Gates and Pathways in the fabric of space are used for traveling with marvelous machines. These are routes for envoys, travelers, trade, commerce, construction, and supply between Planets, Solar systems, Galaxies, and Dimensions. No one owned or controlled the network. It was a universal territory.

THE UNIVERSE is completely surveyed, and maps are continually made. None like ZION exists in THE UNIVERSE. HA-MALAKIM is ordered to build the KESEY LAVAN (The Great White Throne), and they create the CROWN OF CROWNS and the SCEPTRE OF THE OLAM. HA-MALAKIM create 28 THRONES and CROWNS OF ESTEEM for the Ruling Elders.

In the City is a Great White Throne upon which YHWH sits, and He is the manifest Will of HA-ELOHIM. The BA-ADAT-EL and the KAHAL GADOL sit in the City of ZION. The BA-ADAT-EL and the KAHAL GADOL are tasked with the responsibility of Ruling the Universe in the humility and wisdom of the HA-ELOHIM.

THE BAYIT HA-MIKADESH

The KOHANIM a particular class of Malakim, are ordered to build the Temple and its instruments in ZION and to prepare the Priesthood and Protocols.

The BAYIT HA-MIKADESH is made up of four divisions: 1. The Outer Court - Zion. 2. The Inner Court - The Son. 3. The Set-Apart Place - The Elohim. 4. And the Most Set-Apart Place - The Ruach.

The KOHANIM divides the Priesthood into the AARON (the Priests and Scribes) and the LEVIM (Officiators and Helpers). The MADA and KOHANIM collect awe-inspiring materials from all over the Olam and are transported to ZION to build the Temple and its sacred instruments. The ARON HA-EH-DUT (Ark of the Covenant), HA-Menorah (the Golden Lamp Stands), HA-LECHEM HAPĀNĪM SHULCHAN (the Table of Shew Bread), and MIZBACH HA-KETOROS (the Altar of Incense). The BA-ADAT-EL and the KAHAL GADOL declare the KOHANIM to be eternal and set apart from the Councils. A separate Arm of the Kingdom but not above the Councils.

The BA-ADAT-EL and the KAHAL GADOL appoint Aaron the KOHEN HA-GADOL, THE GREAT HIGH PRIEST, and he has a seat among the BA-ADAT-EL and the KAHAL GADOL. The KOHANIM rule the BAYIT HA-MIKADESH and have no inheritance in THE UNIVERSE. They are given ZION. The Priesthood and Temple are perfect. None like it exists anywhere in THE UNIVERSE.

PART NINE

THE DIVINE ORDER

The KOHANIM form the elite division of the SERAPHIM and CHERUBIM. The Elite Guard. The SERAPHIM and CHERUBIM guard the BA-ADAT-EL, the KAHAL GADOL, the KOHANIM, and ZION. They are revered and feared mighty warriors. There were no armies in THE UNIVERSE. Order was administered by the MALAKIM.

The KOHANIM establishes the Tithe of all Galaxies. A mandatory amount of 10 percent is set along with free will offerings. The Tithe and Offerings are decreed KADOSH (Set-Apart).

BET DIN

The KAHAL GADOL appoints the BET DIN.

The Judiciary decides on TOROT and Malchut matters. The BET DIN is called the SHOPHTIM (Judges). The SHOPHTIM administers the laws of the tithe and offerings. A separate Arm of the Kingdom but not above the Councils. The BA-ADAT-EL and the KAHAL GADOL appoint their head.

The BET DIN is headed by THE SHOPHAT HA-GADOL, The Supreme Judge.

The BA-ADAT-EL and the KAHAL GADOL appoint Malak Mika'el (Moses), THE SHOPHAT HA-GADOL the Supreme Judge, and he has a seat among the BA-ADAT-EL and the KAHAL GADOL. The BA-ADAT-EL, the KAHAL GADOL, the KOHANIM, and the BET DIN are the Olam Councils.

THE MALCHUT

After millions of years, THE UNIVERSE had expanded and developed into trillions of galaxies and hundreds of billions of prospering colonies and cultivations.

Many Galaxies and Solar systems are still uninhabited by civilizations. THE MALCHUT HA-YHWH (the Kingdom) had powerfully formed. The need for Law and Order arose in the Galaxies among the living beings the MALAKIM had created.

The BA-ADAT-EL, the KAHAL GADOL, the KOHANIM, and the BET DIN establish the Laws of the Malchut to order and manage and prosper the Galaxies.

The MALAKIM (Emissaries) are commanded to establish the Laws of the Kingdom in all planets, provinces, and regions of THE UNIVERSE. The goal of Kingdom Law is love, joy, peace, faith, repentance, mercy, kindness, goodness, harmony, and balance. Faith in Elohim.

Leaders, Governments, Laws, Rules, Courts, Police, Services, Commerce, and Trade were created for each planet. Each Galaxy required an Administrative Head and Ruling Body to be based on the principles of the Kingdom. Ivrit (Hebrew) and the Script are declared the official language of communication. Universal times and seasons are established and are based on ZION in THE UNIVERSE. Time in the Kingdom is divided into Eons, Eras, Periods, Epochs, and Ages.

PART TEN

THE DIVINE ORDER

Seasons are based on the Megaannum, the Millennium, the Jubilee, the Decade, the Year, the Month, the Week, the Days, the Hours, the Minutes, the Seconds, etc. Local times and seasons are also appointed for each Galaxy and solar system, but the universal standard is ZION.

SANHEDRIN

The BA-ADAT-EL and the KAHAL GADOL create the SANHEDRIN.

The Council of SHAMAYIM SHAMASHIM from among the MALAKIM. The Heavenly Elders. The TZAKAKIM SHAMASHIM consists of 7001 Righteous Elders. Also called the Heavenly Assembly. The KAHAL GADOL, the KOHANIM, and BET DIN selected the Council members from among the MALAKIM scattered throughout the Olam.

The 7001 members of this Council are called KATAN ELOHIM (Literally Lower Gods). The KATAN ELOHIM are Divine Apostles or Emissaries. Together, they are called the SHOLIACHIM. Individually, the SHOLIACH. In short, they are called RABBI'S.

The executive core of the Council is 71 members. Together, they are called the RABBINOT. Individually, they hold the title of RAV. Every seven years, the executive council members are rotated within themselves.

The RAV communes with HA-ELOHIM. The SANHEDRIN reports to the KAHAL GADOL, the KOHANIM, and BET DIN. Clusters of billions of Galaxies come under the authority and domain of the 7001 Elders of the SANHEDRIN. The SANHEDRIN collects and administers the Tithe and the Offerings and sends it to ZION. ZION redistributes the Tithes and Offerings to the Councils and the Regions and the Galaxies. There is no lack or want of anything in the Universe.

THE SHAMAYIM COUNCILS

The SHAMAYIM COUNCILS were created by the SANHEDRIN.

The SHAMAYIM COUNCILS are headed by the TZADIKIM. Their supreme heads are called TZADIKIM HA-GADOL. Council members have the option to retire or be transferred to a higher responsibility. The SHAMAYIM Councils expanded to millions and continue to grow to billions.

Every Galaxy has a SHAMAYIM COUNCIL with a Regional Leader called a PECHAH (a Governor) to monitor, Order, control, and report for each Galaxy. Some Galaxies, due to their size, have multiple Governors overlooking regions that work together. The PECHAHIM came under the SHAMAYIM COUNCILS. The PECHAHIM are not Kings but Servants of the Councils.

THE MALCHUT COUNCILS

Lower Councils were appointed among the SHAMAYIM COUNCILS.

THE DIVINE ORDER

Regional Kingdom Councils called MALCHUT COUNCILS were created in the hundreds of billions. MALCHUT COUNCILS are present in every Solar system. Our Solar System has a MALCHUT COUNCIL centered here on Earth. The members of these Councils are called TALMIDIM. Individually, the TALMID. The TALMIDIM congregate to form YESHIVAH'S (schools) and KAHAL'S (Assemblies), which are headed by Elders or Bishops.

Notation: The Divine Order is the perfect emanations of the Divine Will of Elohim. Every level is in perfect submission to the other. There is no competition, battles, or strife in the Order. However, at one stage in the history of our Universe, Lucifer challenged the Powers and Systems, and he lost and was sentenced. The rebellion caused the system to expand and develop. The Earth is being observed and monitored by these Powers and Systems.

Where did this information come from? This information comes from a publication we released called The Unwritten Scroll (NMZ ISSUE 01). You can download a copy of the full message for free from our websites. There is an Appendix of Scripture and ancient sources at the End of the Sealed Scroll for further study. Alternatively, this information is part of our book YOM YHWH, which elaborates on the events and program of the End of the Age, which can be purchased from our website. **Why is this information being released now?** The answer must be obvious: we are at the time of the End, the generations that shall see the return of the Blessed King and go through the Great Tribulation. This is a time of reflection, preparation, forsaking and repentance. Above all, it is a time to get ready to have oil in our lanterns like the wise virgins in Mattityahu (Matthew) 25:1–4. 1. **What is the origin of this information?** My answer was that the pieces came from everywhere, and pieces of this great puzzle had been hidden in many books over many generations. Many righteous souls perished or were tortured or imprisoned to preserve the pieces of this puzzle. It was deliberately sealed until the time of the End. *"But you, O Daniyel, hide the words, and seal the scroll, even to the time of the end: many shall run to and fro, and da'at (Knowledge) shall be increased"* Daniyel (Daniel) 12:4. 2. **Why was it kept from us?** Mankind was placed in the Salvation program, which is to last for seven thousand years, and no one was given the authority to reveal these truths out of its appointed time because the program must complete its course to achieve its purpose. The decision to hide the information has always been with the King and He has decided to reveal it to all. *"It is the tifereth (glory) of Elohim to conceal a matter: but the honor of melechim (kings) is to search out a matter. The shamayim (heavens) for height, and the Earth for depth, and the lev of Melechim (heart of the king) is unsearchable"* Mishle (Proverbs) 25:2-3. 3. **How should I respond?** My humble advice to you is, "Be on the right side of History" or be condemned at the conclusion of the age. We are at the End of the final play, where the forces of evil will make their final assault on humanity. I want to tell you evil will not triumph, and the King and Kingdom will emerge triumphantly. The war was won a long time ago; this is the final battle. Eliyahu is here! *"Behold, I will send you Eliyahu ha navi (the prophet) before the coming of the great and dreadful Yom YHWH: And he shall turn the lev of the ahvot (the hearts of the fathers) to the children, and the lev of the children to their ahvot, lest I come and smite the earth with a curse through utter destruction"* Malachi (Malaki) 4:5. The foolish will not heed this message and dismiss this information as fiction or lies. I shall speak frankly to you. I don't care about fools or what they say or do. They shall be numbered among the wicked who will face the wrath of YHWH as described in our Book YOM YHWH. I end with this Scripture: *"Known to YHWH are all His works from the beginning of the olam (world)"* Maaseh Shlichim (Acts) 15:18.
