

**THE ANTI-MESSIAH, WHO IS HE?** At the outset, let me make something clear: I will not add my name to the long list of people in the last 50 years who have named the Anti-messiah (A-m) and now have egg on their face. But I will not deceive you; I do have an unction of who the A-m is, and when the time is right, he will be revealed. So much has been written and movies produced depicting his character that he is now a universal phenomenon. I want to tell you something: they are all wrong. This man is not an autocrat, general, politician, or diplomat. They are purely depictions of Hollywood to create another superhero they can profit from and people can worship. What is interesting is that the concept of A-m has amassed a huge following and liking that when he does appear, the A-m could easily be mistaken as the Messiah. Yeshua warned that he would deceive even the elect (Mattityahu (Matthew) 24:24). The fact is the Anti-messiah is a servant of YAH as his father, Satan, who does the work of YHWH. The religious folk like to make Satan and the A-m the proponents of Elohim because they need someone to blame for their situation or the condition of the World. Let me make it clear here: Satan is not equal to Elohim, and the A-m is not equal to the Messiah. They are prisoners on this planet like the rest of us. It is our transgression of the Torah and the Covenants that empower Satan against us; otherwise, he would be like a lion without teeth. The final Anti-messiah is not a physical son of Satan. He will not be another Hitler or Stalin. The point is that no one can identify him because he was born and raised in a normal wealthy and powerful family. He has the best education money can buy and is no ladies' man or maverick. He has been raised to blend in with society and not draw attention to himself outside of his time. The A-m is an environmentalist and climate enthusiast like the many millennials of today. His primary mission is to preserve the Elite's status quo and protect their interests in this World. Ha Satan will possess him when the iniquity of the nations has filled up (See Beresheeth (Genesis) 15:13-16). We are approaching the limit, if not already. What about the Scriptures that imply that he is an Assyrian according to Yeshayahu (Isaiah) 10:5-27; 14:24-25; Micha (Mikah) 5:5-6; Tzephanyah (Zephaniah) 2:13. Nimrod was an Assyrian. The thing is, many A-m of the type described in these passages have come and were defeated. These passages may not apply to him. However, I have no problem accepting that the final Anti-messiah could be his descendant but not his reincarnation. Other well-meaning people have argued that he is Jewish, and still others Muslim. Does it matter? Satan is well familiar with the stereotypes and wants to distance his son from their type due to their brevity. No popular A-m has escaped the sword of YHWH. Think for a moment. If you have been around 6000 years, how many lessons do you need to have on raising the ideal A-m before you have the perfect one? The ideal type is one who will be loved by the people and admired for his stands and beliefs; thus, you cannot raise such a person in a broken-down family, a mafia, or a military family. It will mess up his head. The right question to ask is when will this well-groomed man turn into the man of lawlessness (the Ish HaMufkarut) as the Scriptures identify him? This is not hard to work out; we have been given a clue. *"For the Sod HaMufkarut (Mystery of Lawlessness) is already working; only he who holds back and restrains just now will do so until he is out of the way"* Tesloniqyah Bet (Second Thessalonians) 2:7. The A-m cannot be revealed until Eliyahu is taken out of the way, he is the restraint alluded to here that stops the appearance of the lawless one. Be warned only Elohim can remove Eliyahu because he must complete his mission to save the Earth. I know the arguments that it is the Holy Spirit or Micheal or the Church that restrains the lawless one. YAH is Elohim; He cannot be removed from the Earth. Michael is not here. The people of YAH are the salt and light of the Earth and cannot be removed. In case you did not notice, Yisra'el has never in its history been removed from the Earth because of wickedness or judgments. On the contrary, YHWH has defended and preserved His people right here on Earth. These ideas are Greek and Roman concepts but not Hebrew. According to the rest of Second Thessalonians chapter 2, it is the revelation of the Blessed One, the Messiah, who will destroy the Anti-messiah, but first Eliyahu must appear.
