**BOUND.** The Sefer Yubilee (The Book of Jubilee), also known as the Lesser Genesis, is a Jewel of the Torah. The book reveals a power and authority that contradicts our beliefs about Satan and answers many biblical questions that Sefer Beresheeth (The Book of Genesis) does not. The only complete copy of the Book of Jubilees is an Ethiopic manuscript from the sixth century AD. It contains 1,307 verses. Most scholars believe that the book was originally written in Hebrew or Aramaic due to the discovery of fragmented Hebrew texts containing portions of the Book of Jubilees among the Dead Sea Scrolls. So far, at least fifteen separate manuscripts of the Book of Jubilees have been identified at Qumran. If the Essene considered this book Scripture, why aren't we reading it and studying it? The information in this book is vital for our time because it contains a solution to the current state of 'deep darkness' (Yeshayahu (Isaiah) 9:2, 60:2) that elopes our World, cities, communities, and homes. If you have not noticed, evil is getting stronger by the year, and the children of YHWH are powerless against its rising tide. The 2024 Paris Olympics is a warning to us that we need to shift our defense and offense to another level. We are under attack, and our petty religious differences and in-house scabbles are only empowering the enemy. Bear with me as I explain how to activate the anointing to bind and lose the enemy, according to the Book of Jubilees. I quote the relevant verses and note the highlighted parts: "8...*And Joseph ruled over all the land of Egypt, and all the princes of Pharaoh, and all his servants, and all who did the king's business loved him, for he walked in uprightness, for he was without pride and arrogance, and he had no respect of persons, and did not accept gifts, but he judged in uprightness all the people of the land. 9 And the land of Egypt was at peace before Pharaoh because of Joseph, for the Lord was with him, and gave him favor and mercy for all his generations before all those who knew him and those who heard concerning him, and **Pharaoh's kingdom was well ordered, and there was no Satan and no evil 10 person (therein).** And the king called Joseph's name Sephantiphans, and gave Joseph to wife the 11 daughter of Potiphar, the daughter of the priest of Heliopolis, the chief cook"* Book of Jubilees 40:8-11. "1 *And it came to pass that after Jacob died the children of Israel multiplied in the land of Egypt, and they became a great nation, and they were of one accord in heart, so that brother loved brother and every man helped his brother, and they increased abundantly and multiplied exceedingly, ten [2242 A.M.] 2 weeks of years, all the days of the life of Joseph **And there was no Satan nor any evil all the days of the life of Joseph which he lived after his father Jacob, for all the Egyptians honored the Children 3 of Israel all the days of the life of Joseph**"* Book of Jubilees 46:1-2. "15 *And on the fourteenth day and on the fifteenth and on the sixteenth and on the seventeenth and on the eighteenth **the prince Mastema was bound and imprisoned behind the children of Israel that he 16 might not accuse them. And on the nineteenth we let them loose that they might help the 17 Egyptians and pursue the children of Israel.** And he hardened their hearts and made them stubborn, and the device was devised by the Lord our God that He might smite the Egyptians and 18 cast them into the sea. **And on the fourteenth we bound him that he might not accuse the children of Israel on the day when they asked the Egyptians for vessels and garments,** vessels of silver, and vessels of gold, and vessels of bronze, in order to despoil the Egyptians in return for the bondage in 19 which they had forced them to serve. And we did not lead forth the children of Israel from Egypt empty handed"* Book of Jubilees 46:15-19. The name Mastema that appears in these texts must be explained. In Hebrew, 'Mastemah' means 'hatred' and 'hostility.' Another translation suggests that the name comes from the word 'Mastim,' which is the Hiphil participle of 'Satam,' and it means 'one who is adverse.' According to the Book of Jubilees, Mastema was the chief of the spirits and very similar to what Christianity today promotes as 'Satan.' Mastema is the fallen angel Lucifer. Yet we see a different picture of Mastema in Jubilees, he is one who obeys the children of Yisra'el unlike the Satan that

Christianity flaunts as powerful. **The Book of Yubilees reveals an astounding truth that Yisra'el once possessed the anointing and authority to bind and loose Satan at their will.** When Yosef was alive, Satan could not rob, enslave, or murder Elohim's people in Mitzrim. He was utterly powerless. The verses I quoted shows that Mitzrayim was free of the Devil and his work. How could this be? It was only when Yosef died that Yisra'el went into slavery as Abraham had prophesied, and it was not until Moses arrived on the scene some 430 years later that Mastama was again controlled like a dog on a leash. We know from tradition that it was not until after Levi's death, the last of the brothers, almost 100 years since arriving in Mitzrim, that the oppression began. What did Yosef and Moshe possess that the revered elders of Yisra'el in 330 years did not have? The answer is KODESH (HOLINESS). The Book of Jubilees again reveals the secret. Yisra'el lost the anointing because of something abominable they did. Read on, and you will find out. I quote from Chapter 5-19, and I have highlighted the main parts; *"5 The fear of you and the dread of you I will 6 inspire in everything that is on earth and in the sea. And behold I have given unto you all beasts, and all winged things, and everything that moves on the earth, and the fish in the waters, and all 7 things for food; as the green herbs, I have given you all things to eat. But flesh, with the life thereof, with the blood, ye shall not eat; for the life of all flesh is in the blood, lest your blood of your lives be required. At the hand of every man, at the hand of every (beast) will I require the 8 blood of man. Whoso sheddeth man's blood by man shall his blood be shed, for in the image of 9,10 God made He man. And you, increase ye, and multiply on the earth.'* **And Noah and his sons swore that they would not eat any blood that was in any flesh, and he made a covenant before the 11 Lord God for ever throughout all the generations of the earth in this month. On this account He spake to thee that thou shouldst make a covenant with the children of Israel in this month upon the mountain with an oath, and that thou shouldst sprinkle blood upon them because of all the words 12 of the covenant, which the Lord made with them forever. And this testimony is written concerning you that you should observe it continually, so that you should not eat on any day any blood of beasts or birds or cattle during all the days of the earth, and the man who eats the blood of beast or of cattle or of birds during all the days of the earth, he and his seed shall be rooted out of the land. 13 And do thou command the children of Israel to eat no blood, so that their names and their seed 14 may be before the Lord our God continually. And for this law there is no limit of days, for it is forever. They shall observe it throughout their generations, so that they may continue supplicating on your behalf with blood before the altar; every day and at the time of morning and evening they shall seek forgiveness on your behalf perpetually before the Lord that they may keep 15 it and not be rooted out. And He gave to Noah and his sons a sign that there should not again 16 be a flood on the earth. He set His bow in the cloud for a sign of the eternal covenant that there 17 should not again be a flood on the earth to destroy it all the days of the earth. For this reason it is ordained and written on the heavenly tablets, that they should celebrate the feast of weeks in this 18 month once a year, to renew the covenant every year. And this whole festival was celebrated in heaven from the day of creation till the days of Noah -twenty-six jubilees and five weeks of years [1309-1659 A.M.]: and Noah and his sons observed it for seven jubilees and one week of years, till the day of Noah's death, and from the day of Noah's death his sons did away with (it) until the days of Abraham, and 19 they eat blood. But Abraham observed it, and Isaac and Jacob and his children observed it up to thy days, and in thy days the children of Israel forgot it until ye celebrated it anew on this mountain."** Yisra'el was instructed NOT TO EAT ANY FLESH WITH BLOOD IN IT. All the patriarchs observed the commandments, including Joseph and Moses. The falling away actually began with Noah's sons.

PART THREE

Approximately 1621 years later, a young carpenter by the name of Yeshua of Nazareth began his ministry in Yerushalem, and like the prophets before him, he gave them the unadulterated truth as shown in this hidden version of the Gospel banned by the Church. I quote the essential verses here.

*"3. Ye believe that Moses indeed commanded such creatures to be slain and offered in sacrifice and eaten, and so do ye in the Temple, **but behold a greater than Moses is herein, and he cometh to put away the bloody sacrifices of the law, and the feasts on them, and to restore to you the pure oblation and unbloody sacrifice as in the beginning, even the grains and fruits of the earth.** 4. Of that which ye offer unto God in purity shall ye eat, but of that kind which ye offer not in purity shall ye not eat, for the hour cometh when your sacrifices and feasts of blood shall cease, and ye shall worship God with a holy worship and a pure Oblation" Gospel of the Holy Twelve Lection 28:3-4. "He also said, **I am come to end the sacrifices and feasts of blood, and if ye cease not offering and eating of flesh and blood, the wrath of God shall not cease from you, even as it came to your fathers in the wilderness, who lusted for flesh, and they eat to their content, and were filled with rottenness, and the plague consumed them**" Gospel of the Holy Twelve Lection 21:8. "4 Is it not written in the prophets, **Put your blood sacrifices to your burnt offerings, and away with them, and cease ye from the eating of flesh, for I spake not to your fathers nor commanded them, when I brought them out of Egypt, concerning these things? But this thing I commanded saying: 5, Obey my voice and walk in the ways that I have commanded you, and ye shall be my people, and it shall be well with you. But they hearkened not, nor inclined their ear**" Gospel of the Holy Twelve Lection 33:4:5.*

While the Patriarchs were alive, something existed in Yisra'el that allowed Yaakov's family to dwell in relative peace, something that kept Mitzrim from turning its collective back on the Hebrew people to enslave them. According to the Arizal, the Hebrew people possessed the potential and the opportunity to elevate Mitzrim rather than be lowered by it. What was this potential and opportunity that they uniquely possessed? **It is none other than the righteous standard of the Torah not to consume flesh that sets them apart from all the nations around them.** What is apparent from the Book of Jubilees and the above Gospel is that they disobeyed the statutes and ordinances soon after Yosef died. In practice, they began consuming the diet of Mitzrayim, which was flesh-based with blood in it, and everything else the Torah prohibited them from eating. **Their standard of Holiness dropped to the level of the Mitzrayim and the anointing and authority to bind Mastama was subsequently neutralized.** This is a ubiquitous condition that all Abrahamic-based religions share - they are all powerless against Satan, and he knows it. If we do not wake up to this truth, humanity is doomed. The Devil will enslave, murder, and annihilate YHWH's people along with the rest of Humanity. The remanent that survives the onslaught will be forced to live off an insect-based protein diet precisely as the World Economic Forum, the Gates Foundation, and the United Nations plan for humanity. It is no secret that these organizations plan to reduce the World's population and eliminate our flesh-based diet. Their corporations are buying billions of acres of farmland to stop livestock farming and building factories that produce protein from insects and modified crops. In their belief, which is based on science, we are destroying the planet because of man's insatiable hunger for flesh, and it worsens by the year. Isn't it ironic that the very people whom believers call insane and demonic seem to be the ones pursuing the will of YHWH while the children of the El Elyon sleep? **This is the bottom line:** If we do not attain the standard of Holiness in which the Patriarchs of Yisra'el walked, the agenda of these organizations will continue to prosper until they have accomplished their goal of reducing humanity to less than a billion people. We are mandated to bind and lose their programs, but without KODESH (HOLINESS), we will not defeat them, regardless of our proclamations and intercessions. Let those who have an ear hear what the Spirit says.
