

IT IS ALL FAKE. Melech Shlomo perfectly summarized our human experience with these words, “*Vanity of vanities, says the Koheleth, vanity of vanities; all is vanity*” Koheleth (Ecclesiastes) 1:2. The word Vanity literal meaning is “vapor” or “breath,” so they are used to describe everything in this existence. King Solomon amassed the most incredible fortune in human history and ruled an empire that spanned the Earth; he epitomized human success on all levels. In case you are pondering on the achievements of this extraordinary man, here are some of his most significant accomplishments: he built the City of Yerushalem and many other cities, he expanded the trade roots and borders of Yisra’el, he built the most modern armed forces of his time and a Navy that traveled the known World, he conquered all of Yisrael’s enemies and subjected them to labor, he made gold and silver abundant in the streets of Yerushalem, he created the most modern of economies, he married hundreds of princess, he had 700 wives and 300 concubines, he created gardens and palaces of wonder, his servants were impeccable and World renowned, he built the greatest Temple man has ever created, he wrote many books which today we treasure as the inspired words of Elohim and many more things we could only imagine. In the finality of his life, King Solomon called everything he created Vanity of Vanities. And I know and understand why. **NOTHING IN THIS WORLD AND AGE IS REAL. IT’S ALL FAKE!** We are not living in a Matrix or Simulation as Hollywood and some Scientists would have us believe. Life, pain, suffering, and birth and death are real. People are real, and Nature and all living things are real. The Earth and the Universe are real. **What is fake is everything we have created in this World.** I am referring to our identity, our societal status, the things we own, the money, the precious gems and metals, the chattels, the goods and services, the businesses and operations, the structures, the machines, the artificial intelligence, the pleasures, games and the millions of other things. None of it is real! Unfortunately, the majority of us don’t get to experience all these things, at least not in one lifetime. But the one percent who are called the Elite that get to experience all this life has to offer, they know it is all meaningless because they can’t take one thing with them when they die. When Melech Shlomo wrote the Book of Ecclesiastes, he made this journey, and the Book of Koheleth was his warning to all nations and generations. This is the raw truth: You are not what you think you are; I mean your family name, your title, your qualifications, your position, your status, your money, your talent, your body, looks, etc. It is all meaningless, Vanity of Vanities. I have nothing against success, prosperity, and happiness; the Torah calls this a blessing. However, when people think they have outwitted Elohim and conquered life because they have achieved the things I mentioned, they are already deceived and dead. The primary reason why millions of people die annually from suicide and hate is because they have deceived themselves or were deceived by others that these things are who and what they are. **Only three things are real about YOU: You are an angel, You are loved beyond words by your Creator who gave us the Torah and His Son, and your love for others. The rest is fake.** There is no future or gain in this passing World. The Age is coming to an end, and all those who love this World will perish with this World. This is the warning that the Sholiach Yochanan (Apostle John) put to the generation that will see the End of the Age indicated in this phrase *the last hour*. “**15 Do not love the olam hazeh (this World), or the things in the olam hazeh. If anyone loves the olam hazeh, the Ahava (Love) of Abba is not in him. 16 For all that is in the olam hazeh; the lust of the flesh, the lust of the eyes, and the pride of chayim; is not of Abba but is of the olam hazeh. 17 And the olam hazeh is passing away, and the lust of it; but he who does the will of YHWH lives le-olam-va-ed (forever). 18 Little children, it is the last hour; and as you have heard that the anti-Moshiach is coming, even now many anti-Moshiachs have come, by which we know that it is the final hour. 19 They went out from us, but they were not of us; for if they had been of us, they would have continued with us; but they went out that they might be made manifest, that none of them were of us**” Yochanan Alef (First John) 2:15-19. If you can receive what I have said, you shall be freed; otherwise, Vanity will remain in your prison until you pass from this Earth.
