

**WHY ME?** This will make sense as you read through, and the revelation will either shock you or heal you. There are many choices a child can make, like deciding who they want to play with, rejecting something they don't want to eat or drink, being good or bad, etc. Then there are choices that a child cannot make, like who can be my siblings, what religion I can have, what "God" I can worship, etc. These decisions were made for them to benefit them. A divine contract was made thousands of years ago, starting with Abraham. Elohim approached a humble and brave man called Abrim and invited him to be the progenitor of a line of people called Ivrim (Hebrews) who will Trust Him and Him alone. What we call emunah or faith. Abrim had already met YHWH a long time before, but he had to be tested, and he passed. Elohim made a covenant with him, changed his name to Abraham, meaning the father of many nations, and promised him that his descendants would be uncountable. Through the patriarch Yaakov (Jacob), the family grew into 12 tribes that became a nation called Yisra'el. By the time Moses became their deliverer, their ranks had swelled to possibly 2 million people, as some scholars have argued, and I agree. Now, from this point, something remarkable has happened. Listen carefully. Moses made them swear to uphold the Covenant and the Law for all generations. This will be my one quote. Devarim (Deuteronomy) 29 *"12 That you should enter into brit (Covenant) with YHWH your Elohim, and into His oath, which YHWH your Elohim makes with you this day: 13 That He may establish you today for a people to Himself, and that He may be to you an Elohim, as He has said to you, and as He has sworn to your ahvot (fathers), to Avraham, to Yitzchak, and to Yaakov.14 Neither with you only do I make this brit (Covenant) and this oath;15 But with him that stands here with us this day before YHWH our Elohim, and also with him that is not here with us this day:"* Note the last part *"and also with him that is not here with us this day."* And they replied before Moses that they will do it. Now who is "the him who is not here." This is the secret of the Covent mentioned in Psalm 25:14 that I am now showing you. We were never allowed to choose our Elohim or what book we could follow. Your forefathers in the Hebrew faith made your fathers swear all their generations to YHWH long before there was a Jewish, Christian, or Muslim faith. How many people eventually came out of the Hebrew clan? You have guessed it, billions of people! Like the stars and sands uncountable. The truth is this: we are like our own children; we did not choose our "God" or religion; it was made for us by our parents! You can kick up a stink all you like, but it changes nothing according to the laws of Elohim. The light of His Kingdom is in you already. But here is the interesting part. Satan does not know who belongs to YHWH because Abraham's seed has been mixed into the Earth, and we have become the fullness of the Gentiles – a melogoyim. Therefore, he targets those who have made their Hebrew roots identification apparent because he understands what I am saying. Still, he has no power to harm us until we break the Covenant of our Fathers. This is why the holocaust, the genocides, the pogroms, the crusades, the witch hunts, and the many other deaths and tortures because you are the beloved of YHWH. Your name was added to the Book of Life before you were born (Luka (Luke) 10:20); Yochanan Alef (First John) 5:13); Phylipsiyah (Philippians) 4:3). Did you know that names can only be removed from the Book of Life? For that to happen, it demands you sign your soul over to Satan. I cry for those who have had their names removed. There is no redress to fix this. Guess what? If you have a feeling or have an unction deep in your soul that you are a child of the Covenant, regardless of your religion, then I want to give you some good news. You are Hebrew and a part of the Chosen people. All that is required is for you to be admitted back into the fold is to begin to keep the Covenants and His laws. I want to tell you after 20 years of doing it, it is so easy to keep it. Yeshua said, *"Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls."* This is not an invitation to become part of a religion but freedom from religion. The yoke he refers to is none other than Devarim (Deuteronomy) 29:12-15 quoted earlier. So many of us have been disillusioned and burdened by the religions of this world when freedom is within your grasp today.
