

PART ONE

**THE END OF THE AGE.** We have entered the time of the End of the Age. The completion of the Kingdom of Darkness's six-thousand-year reign. What does this mean? It means what was hidden will now be revealed, and what was before shall now be reversed. Every human being is entitled to know these things, which were hidden for the time of the End, as alluded to in Daniyel (Daniel) 12:4, 9. Many of these things we have covered in detail in other publications. However, this is the first time YHWH has allowed us to reveal other details of His Divine Program. As written in Ahmos (Amos) 3:7, YHWH does nothing upon the Earth until He first reveals His secrets to His servants, the Naviim.

- Yisra'el is not 13 million Jews but 7 billion people comprised of Jews, Christians, Muslims, and other faiths. Abraham's biological seed has been mixed into all the nations of the Earth. They are a sleeping giant who is oblivious to their real identity.
- Yisra'el are not Jews, Christians, Muslims, or any other religious label. There are no gates into the Kingdom of YHWH for a religion. We come into the Kingdom through the identity of the twelve tribes of Yisra'el under the headship of the twelve Apostles of the Lamb.
- The Twelves Shlichim (Apostles) are presently on the Earth, and their identities will be revealed by Eliyahu, who shall form a Council that will legitimize the authority of the 70 Elders who shall administer the Earth as it was from the beginning.
- The administration of the Earth is set to return to the 70 sons of Yisra'el, who are the Sanhedrin. This will be a Ruling Council of Elders that will administer the Earth during the Millennium. The Messiahs will form a Divine Council that will oversee these ruling bodies.
- The Sanhedrin leaders are kings, queens, presidents, prime ministers, and leaders of faith and justice whose identities will be revealed by the Messiahs. They will be humble people who want nothing of the old order but equity, law, order, peace, and harmony for all of mankind.
- The majority of the population of the Earth are fallen angels undergoing a human and restoration experience. We were sentenced to serve consecutive lifetimes until the advent of the Kingdom upon which we will be retaught the knowledge of our angelic existence.
- There is a minority of good angels who did not fall among us, who are here as our teachers, guides, principals, leaders, and judges, and who volunteered to be here as examples of righteousness, truth, and love to this fallen world. The majority of them are Yisra'el.
- Ha Satan is not equal or in competition with Elohim. He is a servant of Elohim who was sentenced here on a specific job. He is a fallen angel whose job is to rule, chastise, torment, and destroy humanity who do not obey the Torah.
- Many evil angels serve in the Kingdom of Darkness until the time of the Kingdom, when they will be bound and await judgment at the end of the 1000 years of the Kingdom. For the first time, we will know an Earth without the power and influence of evil, death, and fear.
- Everything that was made secret will be revealed. Every hidden and dark secret from our past will be brought out into the open to heal the nations and humanity. No one will be judged for these things; only those who continue to hide the truth will be punished.
- YHWH owns everything. The land, rivers, lakes, oceans, forests, deserts, and the atmosphere will become the shared dominion of all humanity. No nation or group of countries or corporations will own these things because we will equally share in the resources and abundance of the Earth.
- Eliyahu is one of the four Messiahs with a specific role to play in restoring and reordering fallen humanity. He is the forerunner to the coming of Messiah Ben Dawid, who was Messiah Ben Yosef. Eliyahu must appear first, and he is here.

PART TWO

- The real Messiah Yeshua, was a vegetarian and an Essenic priest. During his years of training and learning he traveled throughout the East/West and learned from Buddhist, Hindu, Egyptian, and Zoroastrianism Priests. He was a student of all religions and, above all, the Torah.
- The Messiah we so long to see will be born of a woman and live an everyday life in an average family. He will assume his identity as YHWH when Eliyahu has completed his mission to destroy all the enemies of righteousness and truth. His first name shall be Shiloh.
- The Kingdom of Darkness will immediately fall when we realize these three things. 1. Realize our real identity as one people in Yisra'el 2. Stop killing and eating the animals, mammals, and birds of this world. 3. Reject the religions of Babylon that have imprisoned humanity for far too long.
- During the Millennium, angelic mankind will be prepared to re-enter service into the Universe. We will be retrained in the secrets of the Universe, and the technologies we observe in movies will be possible now. Our life span shall be increased, and our usefulness to humanity will be extended.
- The real Yerushalem and Mt Sinai are located in Iran. Everything will be done to open this country to visitation and construction of the City. The majority of Iranian people are not Muslims; they will rejoin the family of Yisra'el and take their place among the tribes of Yisra'el.
- The Tabernacle of Dawid, housing the Ark of the Covenant, will be set up in the appointed place. A series of Tabernacles is set for construction throughout the Earth and will be linked to this Divine tabernacle beginning in Samoa. Many global prayer centers will join the stream of the glory.
- The Anti-Messiah and his High Priest, who have revealed themselves on many occasions in history, will do so for a final time, and Eliyahu will quickly bring their reign to an end. The Anti-Messiah is not a man of war but a man of peace, prosperity, and the environment.
- In the mind of the Anti-Messiah and the Elites, humanity is obsolete and a cancer on the Earth. Humanity destroys the Planet through its industries, freedoms, habits, and pleasures. If we are allowed to continue, we will eventually destroy the Planet sooner than we think.
- Mankind has become so unruly that even Ha Satan cannot control the rebel elements. The human resilience, determination, and stubbornness to continue their ways of life is shortening the timeline. We have become a species of war and violence that characterized the time of Noah.
- In their plan, Human Beings will be phased out and replaced with genetically engineered species that are submissive and controllable through synthetic AI technology implanted in their bodies. They will have the Mark of Beast implanted on their foreheads and hands.
- Ancient civilizations before the time of Noah lived among us. They are families of Angelic beings who did not participate in the chaos of pre-flood times. They have ancient technologies that will help accelerate humanity's position. They know YHWH's program.
- At the end of the Millennium, the Earth will be destroyed by fire, a new Earth will appear, and the final covet elements of our rebellion will be uprooted at this time. The Earth's magnetic field will fail for three years, and everything will be destroyed from the face of the Earth.
- During the Millennium, twelve gigantic Sub Arks will be constructed to save the majority of species and preserve the art, culture, and traditions of mankind for re-introduction into the Planet after the Earth is terraformed and reset during Yom YHWH for eternity.
- At the End of the period of Judgement (Yom YHWH). The Heavenly Zion will be transplanted to the Earth, where it will become the headquarters of the Universal Kingdom. Angelic humanity will rejoin the angelic family of the Universe that once embraced us.

Everything I have revealed and other agendas are underway to have the Kingdom of Darkness rule the Earth perpetually, and it will be stopped, and the Kingdom of Light emerge triumphantly.
