

PART ONE

**I HAVE A PLAN.** To accomplish what seems impossible, we must plan for the extraordinary. Nothing significant in this world has ever been achieved without a plan. True progress always begins with a clear PLAN and STRATEGY. Throughout history, humanity has devised countless world plans—some called Agendas, others Commissions. Where has it got us? Nowhere! While many of these initiatives have merit, they lack the most vital endorsement: Heaven's approval. The truth is YHWH will not sanction a plan that does not center on the establishment of His Kingdom on Earth. The ultimate purpose of the Set Apart Scriptures has always been the restoration of Elohim's Kingdom. This is why Yeshua instructed us to seek the Kingdom first: *"But seek first the Malchut (Kingdom) of YHWH and His tzedakah (righteousness), and all these things shall be added to you"* (Mattityahu (Matthew) 6:33). Today, we too are called to create a plan—a plan aligned with the principles of the Kingdom and the teachings of the Scriptures. My plan is in harmony with Elohim's vision for humanity: a world where resources are shared equitably and technological advancements benefit everyone. This is the vision YHWH has entrusted to me.

- *I have a plan: let us visit every city, town, and community to share the message of the Malchut haElohim (the Kingdom of God) long ago, which was declared by Messiah Yeshua.*

The challenge many of His Prophets face lies in the details of this plan, now revealed, particularly in the context of our modern civilization. This plan is none other than the MANDATE of the Kingdom.

**I HAVE A MANDATE**

**Thy Kingdom Come, Thy Will Be Done** — humanity's highest mandate. The truth is that Elohim cannot build His Kingdom on the foundation of what is fleeting, corrupt, and decaying. The institutions of sin, deception, death, and pollution will be dismantled, making way for institutions rooted in knowledge, truth, life, wellness, and goodness, bringing abundance to the Earth. In this divine reality, governments, laws, and religions will no longer be necessary because the knowledge of YHWH will permeate the world. As it is written: *"For the earth shall be filled with the da'at (Knowledge) the tifereth (glory) of YHWH, as the mayim covers the sea"* (Chabakook (Habakkuk) 2:14). When humanity overcomes fear and ignorance, the vision of building the Kingdom of YHWH will be clear and attainable. No government, private interest, or enterprise need fear its establishment, for it promises boundless prosperity for all, with their roles in the Kingdom assured. In this Kingdom, competition for resources will cease. Technological knowledge - innovation will flow freely, fostering development and prosperity without limits. Even population growth will no longer be a source of concern, for there will be enough food, land, capital, and energy to meet the needs of all—beyond what could be used in countless lifetimes. In the age of the Kingdom of YHWH, the world will experience:

- **No slavery, child labor, or exploitation of any kind.**
- **No hunger, thirst, or deprivation of basic needs.**
- **No homelessness, landlessness, or social hierarchies.**
- **No broken families or children without parents.**
- **No borders or barriers separating nations and people.**
- **No shortages of energy, clean water, or sunlight.**
- **No environmental pollution or contamination of air and land.**
- **No crime, drug abuse, or harmful substances.**
- **No premature deaths, abortions, or fatal accidents.**
- **No unemployment, illiteracy, or lack of opportunity.**
- **No money, banks, or corporations.**
- **No fear of death or dying.**
- **No fear, war, or violence.**
- **No pornography, perversion, abuse, or exploitation in any form.**
- **No despots, class divisions, or wealth disparities.**
- **No political, legal, or military systems.**
- **No slaughterhouses, fisheries, or zoos.**
- **No servitude, forced labor, or idleness.**
- **No religions, ideologies, or written constitutions.**
- **No injustice, unfair trade, or exploitative practices.**
- **No divisions based on ethnicity—only citizens united in the Kingdom of YHWH.**

The Kingdom of YHWH promises a world of unity, peace, and abundance, where the fullness of divine knowledge transforms every facet of life. This is what He promises us we will have forever.
